Transplantation and Anatomy Regulations 2001 No 38

made under the

Transplantation and Anatomy Act 1978

Republication No 1

Republication date: 9 November 2001

Regulations not amended up to this date

Provisions effective to 12 September 2001

Authorised by the ACT Parliamentary Counsel

About this republication

The republished law

This is a republication of the *Transplantation and Anatomy Regulations 2001*, made under the *Transplantation and Anatomy Act 1978* as in force on 9 November 2001. It includes any commencement, amendment, repeal or expiry affecting the republished law up to 12 September 2001 and any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes).

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial amendments

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol **U** appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see *Legislation Act 2001*, section 95.

Penalties

The value of a penalty unit for an offence against this republished law at the republication date—

- (a) if the person charged is an individual—\$100; or
- (b) if the person charged is a corporation—\$500.

Transplantation and Anatomy Act 1978

1 Name of regulations

These regulations are the *Transplantation and Anatomy Regulations 2001*.

3 Other qualifications for certification of brain death—the Act, s 30 (1)

One of the medical practitioners who can certify brain death must be a specialist neurologist or neurosurgeon or have 1 of the following qualifications:

- (a) Fellow of the Royal Australasian College of Physicians, Intensive Care (FRACP (Intensive Care));
- (b) Fellow of the Faculty of Intensive Care, Australian and New Zealand College of Anaesthetists (FFICANZCA).

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws are listed in the legislation history and the amendment history. These details are underlined. Uncommenced provisions and amendments are not included in the republished law but are set out in the last endnotes.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.

If the republished law includes penalties, current information about penalty unit values appears on the republication inside front cover.
