Australian Capital Territory

Water and Sewerage Amendment Regulation 2005 (No 2)

Subordinate Law SL2005-25

made under the

Water and Sewerage Act 2000

1 Name of regulation

This regulation is the *Water and Sewerage Amendment Regulation 2005 (No 2)*.

2 Commencement

This regulation commences on the day after its notification day.

Note The naming and commencement provisions automatically commence on the notification day (see Legislation Act, s 75 (1)).

3 Legislation amended

This regulation amends the *Water and Sewerage Regulation 2001*.

4 New section 16E (6) to (9)

insert

- (6) Subsection (1) (b) does not apply to domestic water supply plumbing work (whether carried out before or after the commencement of this subsection) if—
- (a) the tap is fitted with another device (a *secondary device*) that reduces the flow capacity of the tap for a kitchen or laundry sink or any other basin; or
 - (b) a compatible secondary device for the tap is not reasonably available in the ACT.

Example of secondary device

a valve in addition to the valve forming part of the tap

- (7) For this section, a secondary device is not *compatible* if use of the device with a tap would void the tap manufacturer's warranty.
- (8) Subsection (7) does not limit when a secondary device is not compatible.
- (9) Subsections (6), (7), (8) and this subsection expire on 1 July 2006.
