About this republication

The republished law
This is a republication of the Fertilisers Act 1904 (including any amendment made under the Legislation Act 2001, part 11.3 (Editorial changes)) as in force on 12 April 2007. It also includes any amendment, repeal or expiry affecting the republished law to 12 April 2007.
The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications
The Parliamentary Counsel’s Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):
• authorised republications to which the Legislation Act 2001 applies
• unauthorised republications.
The status of this republication appears on the bottom of each page.

Editorial changes
The Legislation Act 2001, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see Legislation Act 2001, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.
This republication does not include amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments
If a provision of the republished law has not commenced or is affected by an uncommenced amendment, the symbol \textsuperscript{U} appears immediately before the provision heading. The text of the uncommenced provision or amendment appears only in the last endnote.

Modifications
If a provision of the republished law is affected by a current modification, the symbol \textsuperscript{M} appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see Legislation Act 2001, section 95.

Penalties
The value of a penalty unit for an offence against this republished law at the republication date is—
(a) if the person charged is an individual—$100; or
(b) if the person charged is a corporation—$500.

3 Legislation history

This Act was originally a NSW Act—the Fertilisers Act 1904 No 33 (NSW).
The Act was in force in NSW immediately before 1 January 1911 (the date of
establishment of the ACT) and was continued in force by the Seat of Government
Acceptance Act 1909 (Cwlth), s 6.
Under the Seat of Government (Administration) Act 1910 (Cwlth), s 4 the Act had
effect in the ACT as if it were an ACT law (subject to ordinances made under the
The Australian Capital Territory (Self-Government) Act 1988 (Cwlth), s 34 (4)
converted most former NSW laws in force in the ACT into ACT enactments. This
allowed the ACT Legislative Assembly to amend and repeal the laws. This Act
was converted into an ACT enactment on 11 May 1989 (self-government day).
Under the Interpretation Act 1967 (repealed), s 65 all former NSW Acts in force
in the ACT immediately before 10 November 1999 (including this Act) became,
for all purposes, laws made by the ACT Legislative Assembly. This completed
the process of making former NSW Acts fully into ACT laws.
