Trader’s policy to apply

56. Where the death of, or bodily injury to, any person is caused by or arises out of the use of an insured motor vehicle whilst a trader’s plate is affixed to that motor vehicle, the third-party policy in relation to motor vehicles to which that trader’s plate is affixed shall (to the exclusion of the third-party policy in relation to the particular motor vehicle) be the policy under which, in respect of that death or bodily injury, any person whom the policy purports to insure is insured.

Cancellation of third-party policy

57. (1) A third-party policy may be cancelled by the authorized insurer if another third-party policy is in force in relation to the same motor vehicle or in relation to motor vehicles to which the same trader’s plate is affixed, and the other policy is expressed to terminate not earlier than the date upon which the first-mentioned policy was expressed to terminate.
(2) Where the registration of an insured motor vehicle is cancelled by the Registrar, or a trader’s plate is delivered to the Registrar before the date on which the third-party policy in relation to the use of that insured motor vehicle, or the use of any motor vehicle to which that trader’s plate is attached, is expressed to terminate, the authorized insurer who issued the policy shall, upon application by the owner of the motor vehicle or the trader, as the case may be, but subject to such conditions (if any) as are prescribed, cancel the policy.

(3) Where the Registrar refuses the renewal of, or cancels the registration of, an insured motor vehicle on the ground that the vehicle or its parts or equipment is not in a thoroughly serviceable condition or does not comply with requirements prescribed by or under this Act, the Registrar shall forthwith give to the authorized insurer who issued the third-party policy in relation to the use of that motor vehicle a notice in writing of the cancellation or refusal.

(4) In any case not provided for in subsection (1) or (2), a third-party policy may be cancelled by the authorized insurer after a notice specifying a date, not being a date earlier than 30 days after service of the notice, upon which the authorized insurer proposes to cancel the policy has been served on the Registrar and (except where the owner of the motor vehicle or the trader has applied to the authorized insurer for cancellation of the policy) on the owner of the motor vehicle or the trader, as the case may be.

(5) Where an appeal to the Minister under section 58 is lodged on or before the date specified in the notice, the third-party policy shall not be cancelled unless and until the proposed cancellation is confirmed by order made by the Minister or the appellant fails to comply with any direction by him or her to be performed in the order made by the Minister.

(6) Where an authorized insurer cancels a third-party policy under this section, he or she shall forthwith notify the Registrar of the fact.

(7) Whilst the registration of a motor vehicle is current or a trader’s plate is in issue, the authorized insurer shall not (whether upon application by the owner of the motor vehicle or the trader, or otherwise) cancel the third-party policy except—

(a) under the circumstances and subject to the conditions prescribed by or under this section; or

(b) under such other circumstances and subject to such conditions as are prescribed.
(8) The cancellation of any third-party policy shall not exempt the authorized insurer from any liability, whether under the policy or under this Act, accrued or incurred before the cancellation of the policy.

**Appeal against refusal to issue or against cancellation of policy**

58. (1) Where an authorized insurer refuses to issue or to renew a third-party policy to any person or gives notice of intention to cancel a third-party policy issued to any person, there shall be a right of appeal to the Minister.

(2) On any such appeal the Minister may make such order as he or she thinks fit, having regard to the merits of the case and the public welfare.

(3) Without prejudice to the generality of the foregoing power, the Minister may direct that the third-party policy be issued upon payment of a premium at the amount specified in the order or that the notice of intended cancellation of a policy be withdrawn upon payment of such additional amount as is specified in the order by way of premium.

**Authorised insurers**

59. (1) Any person or association, registered for the purpose of carrying on the business of accident insurance under the law for the time being in force in the Territory relating to the registration of companies, who or which is willing to undertake insurance business in terms of this Act may lodge with the Registrar an application containing such information as the Registrar requires for approval by the Minister as an authorized insurer.

(2) The Minister may refuse to grant the application or may grant the application subject to such conditions (if any) as are prescribed.

(3) The Minister shall cause notice of approval of any person as an authorized insurer to be published in the *Gazette* and the approval shall take effect on a date specified for the purpose by the Minister in the notice.

(4) Any approval of a person as an authorized insurer may be cancelled by the Minister after a notice specifying the grounds upon which the action is taken and the date (not being a date earlier than 14 days after the giving of the notice) upon which he or she proposes to cancel the approval has been served on the authorized insurer.

(5) Where, pursuant to section 217D, an appeal is lodged on or before the date specified in the notice, the approval of a person as an authorized insurer shall not be cancelled unless and until the proposed cancellation is confirmed or the appeal is dismissed.
(6) The Minister may cancel an approval granted under this section to any person if that person has, in his or her capacity as authorized insurer, been convicted of an offence against this Act.

(7) Any authorized insurer may, by notice in writing to the Minister, withdraw from insurance business in terms of this Act:

Provided that the notice of withdrawal shall not take effect until a date (not being more than 3 months after the date when the notice of withdrawal is given) specified by the Minister by notice published in the Gazette.

(8) As from the date specified in the notice in the Gazette the person giving the notice of withdrawal shall cease to be an authorized insurer.

(9) A cancellation of approval of a person as an insurer or a notice of withdrawal from insurance business made or given under this section shall not affect—

(a) any third-party policy in force at the date upon which the cancellation or notice of withdrawal takes effect; or

(b) any liability as an authorized insurer, whether under a third-party policy or under this Act accrued or incurred before the date upon which the cancellation took effect or incurred under any third-party policy referred to in paragraph (a).

(10) For the purposes of any policy referred to in paragraph (9) (a) and for all purposes relating to the liability referred to in paragraph (9) (b), this Act shall extend to and in respect of the person referred to in the notification of cancellation or, as the case may be, the person who gave the notice of withdrawal in all aspects as if he or she were an authorized insurer.

Holding out as authorised insurer

60. Any person who, not being an authorized insurer, advertises himself or herself, or holds himself or herself out, to be an authorized insurer or undertakes or offers to undertake insurance business in terms of this Act shall be guilty of an offence.

Penalty—

(a) if the offender is a body corporate—$5,000; or

(b) if the offender is a natural person—$1,000 or imprisonment for 6 months, or both.

Recovery of money from insurers
61. (1) Where judgment has been obtained in any court in respect of the death of, or bodily injury to, any person caused by or arising out of the use of an insured motor vehicle, and the third-party policy insures the judgment debtor against liability in respect of that death or bodily injury and the judgment is not satisfied in full within a period of 30 days after judgment has been entered, the court shall, upon the application of the judgment creditor, direct that the judgment be entered against the authorized insurer:

Provided that, where execution on the judgment is stayed pending appeal, the time during which execution is so stayed shall be excluded in calculating the period of 30 days:

Provided further that notice of intention to make the application shall be served on the authorized insurer at least 7 days before the hearing of the application.

(2) Where the court gives a direction to enter judgment, the judgment shall be entered and may thereupon be enforced as a judgment against the authorized insurer:

Provided that any judgment so entered may be enforced against the authorized insurer only to the extent to which it had not already been satisfied at the time it was so entered.

(3) Where, in respect of the death of, or bodily injury to, any other person caused by or arising out of the use of a motor vehicle, liability has been incurred by any person (in this section referred to as the “insured person”) who is insured against such liability under—

(a) a third-party policy; or

(b) a policy of insurance complying with the provisions of a law that is in force in a State or in the Northern Territory of Australia requiring the owner or driver of a motor vehicle to be insured against liability in respect of the death of, or bodily injury to, any person caused by or arising out of the use of the motor vehicle,

and where the insured person is dead or cannot be served with process, any person who could have obtained judgment in respect of such death or bodily injury against the insured person if he or she were living or if he or she could have been served with process, as the case may be, may recover, in any case where the insurance is under a third-party policy, by action against the authorized insurer who issued the third-party policy and, in any case where the insurance is under a policy of the nature referred to in paragraph (b), by action
against the nominal defendant, an amount equivalent to the sum for which he or she could have obtained a judgment against the insured person.

(4) Subject to subsection (4A), an action under subsection (3) shall not lie against the authorized insurer or the nominal defendant unless notice of intention to make a claim is given to the authorized insurer or the nominal defendant, as the case may be—

(a) in the case of an action for the recovery of any amount referred to in paragraph 76 (1) (b)—within the time prescribed by paragraph 76 (1) (c); and

(b) in any other case—within a period of 3 months after the occurrence which resulted in such death or bodily injury, or within such further period as the authorized insurer or the nominal defendant, as the case may be, allows.

(4A) Where the authorized insurer or the nominal defendant refuses to allow a further period in pursuance of paragraph (4) (b) or a notice referred to in subsection (4) has not been given as required by that subsection within a further period so allowed, the court may, upon sufficient cause being shown, allow such further period as it thinks fit for giving to the authorized insurer or the nominal defendant, as the case requires, notice of intention to make a claim.

(5) The fact that the insured person cannot be served with process may be proved orally or by the affidavit of the person who endeavoured to effect service.

(6) It shall not be a defence by an authorized insurer to an application to enter judgment against him or her pursuant to subsection (1) or to an action against him or her under subsection (3) that he or she is not liable under the third-party policy by reason of any act committed or omission made by the owner or driver of the insured motor vehicle.

(7) In particular and without prejudice to the generality of the provisions of subsection (6), it shall not be a defence by an authorized insurer to any such application or action that he or she is not liable under the third-party policy by reason of the fact that—

(a) the third-party policy was obtained by any false statement or misrepresentation or non-disclosure, whether fraudulent, material or otherwise;
(b) the owner of the insured motor vehicle has committed a breach of, or has failed to comply with, any term, condition or warranty of the third-party policy; or

(c) the owner or driver of the insured motor vehicle has committed a breach of, or has failed to comply with, any provision of this Act.

(8) It shall not be a defence by the nominal defendant to an action against him or her under subsection (3) that the owner or driver of the motor vehicle has committed any breach of or has failed to comply with any provision of this Act.

(9) The provisions of subsections (1) and (2) apply, and, from the date of commencement of the Law Reform (Miscellaneous Provisions) Act 1955, shall be deemed at all times to have applied, to—

(a) authorize entry against the authorized insurer of any judgment obtained against the estate of a deceased insured person under or by virtue of Part II of that Act; and

(b) authorize contribution between joint tort-feasors under or by virtue of Part IV of that Act.

(10) Notwithstanding anything contained in Part II of the Law Reform (Miscellaneous Provisions) Act 1955, the provisions of subsection (3) continue to apply, and shall be deemed to have applied, from and including the date of commencement of that Act.

(11) Subsection (3) permits, and that subsection shall, from and including the date of commencement of the Law Reform (Miscellaneous Provisions) Act 1955, be deemed to have permitted, the institution of proceedings of the kind referred to in that subsection against the authorized insurer or the nominal defendant, as the case may be, in a case—

(a) where the insured person is dead; or

(b) where, under or by virtue of section 7 of that Act, a cause of action in respect of death or bodily injury is deemed to have been subsisting against the insured person before his or her death.

(12) Where liability of the kind referred to in subsection (3) has been incurred by an insured person and the insured person is dead or cannot be served with process—

(a) a person seeking to recover damages in respect of the death or bodily injury as a result of which liability was incurred may join—
(i) in a case where the insurance is under a third-party policy issued by an authorized insurer—the authorized insurer; or

(ii) in a case where the insurance is under a policy of the kind referred to in paragraph (3) (b)—the nominal defendant, as a defendant or one of the defendants;

(b) a third-party notice that might have been served—

(i) by the insured person if he or she had been joined in the proceedings; or

(ii) upon the insured person if he or she were living or could have been served with process,

may be served by or upon the authorized insurer or the nominal defendant, as the case may be; and

(c) the authorized insurer or the nominal defendant, as the case may be, has the same rights and is subject to the same obligations in respect of contribution between joint tort-feasors as the insured person would have had or been subject to if he or she were living or could have been served with process.

(13) Subsection (12) shall, from and including the date of commencement of the Law Reform (Miscellaneous Provisions) Act 1955, be deemed to have applied in the like manner as it applies after its commencement.

(14) The right of action against the authorized insurer or the nominal defendant in a case where an insured person is dead is, and, from and including the date of commencement of the Law Reform (Miscellaneous Provisions) Act 1955, shall be deemed at all times to have been, alternative to the right of action conferred under or by virtue of Part II of that Act against the estate of a deceased insured person.

(15) Without prejudice to the generality of subsection (14)—

(a) where proceedings are commenced against the authorized insurer or the nominal defendant—proceedings in respect of the same cause of action shall not be instituted against the estate of a deceased insured person unless the first-mentioned proceedings have been discontinued;

(b) where proceedings are commenced against the estate of a deceased insured person—proceedings in respect of the same cause of action shall not be instituted against the authorized insurer or the nominal
defendant unless the first-mentioned proceedings have been discontinued; and

(c) where proceedings against the authorized insurer, the nominal defendant or the estate of a deceased insured person, as the case may be, have been carried to judgment—further proceedings in respect of the same cause of action shall not be instituted.

Recovery by insurer from owner

62. The authorized insurer may, in addition to any other right or remedy he or she may have, recover from the owner of the insured motor vehicle (and, where 2 or more persons are the owners, from those persons jointly and severally) so much of—

(a) any judgment entered or obtained against the authorized insurer; or

(b) any sums which the authorized insurer has paid in payment, settlement or compromise of the claim or of the judgment against the owner and the driver jointly or either of them severally or of the judgment entered or obtained against the authorized insurer; and

(c) the costs of and expenses reasonably incurred by the authorized insurer,

as the authorized insurer has paid under or in consequence of any third-party policy where there has been—

(i) a false statement or misrepresentation or non-disclosure in obtaining the third-party policy; or

(ii) a breach by the owner of any term, condition or warranty of the third-party policy or any provision of this Act or of the Motor Traffic (Alcohol and Drugs) Act 1977 or a failure by the owner to comply with any such term, condition, warranty or provision:

Provided that the authorized insurer shall not be entitled to recover any moneys under this subsection unless the court in which the proceedings for the recovery of such moneys are taken is satisfied—

(a) where there has been a false statement or misrepresentation or non-disclosure in obtaining the third-party policy—that the false statement, misrepresentation or non-disclosure, whether fraudulent or otherwise, was in relation to some fact or thing of such a nature as to influence a prudent insurer in determining whether or not to accept a proposal for insurance; or
(b) where there has been a breach of or failure to comply with any term, condition, warranty or provision referred to in subparagraph (c) (ii)—that the breach or failure was such that it contributed in a material degree to the circumstances in which the authorized insurer agreed to pay or otherwise become liable to pay the moneys sought to be recovered.

**Recovery by insurer from driver**

63. The authorized insurer may, in addition to any other right or remedy he or she may have, recover from the driver so much of—

(b) any sums which the authorized insurer has paid in payment, settlement or compromise of the claim or of the judgment against the owner and the driver jointly or either of them severally or of the judgment entered or obtained against the authorized insurer; and

(c) the costs of and expenses reasonably incurred by the authorized insurer,
as the authorized insurer has paid under or in consequence of any third-party policy where the driver has committed a breach of, or has failed to comply with, any provision of this Act or of the *Motor Traffic (Alcohol and Drugs) Act 1977*:

Provided that the authorized insurer shall not be entitled to recover any moneys under this section unless the court in which the proceedings for the recovery of the moneys are taken is satisfied that the breach or failure was such that it contributed in a material degree to the circumstances in which the authorized insurer agreed to pay or otherwise became liable to pay the moneys sought to be recovered.

**Limitation of amount recoverable**

64. An authorized insurer shall not be entitled to recover, under the provisions of sections 62 and 63 from the driver, as well as from the owner, in respect of the same act or omission or in respect of the same breach of or failure to comply with any provision of this Act.

**Effect of payment by authorised insurer**

65. (1) Any payment by an authorized insurer, made in pursuance of a judgment entered in pursuance of section 61 shall, to the extent of such payment, be a discharge of—
(a) the liability of the judgment debtor to the judgment creditor or, as the case may be, of the insured person entitled to the right of action referred to in subsection (2); and

(b) the liability (if any) of the authorized insurer to the judgment debtor or, as the case may be, to the insured person.

Provided that nothing in this section shall be construed as implying any ratification by the owner of the motor vehicle of the acts of the person driving the motor vehicle:

Provided further that, in the case of a motor vehicle which is registered at the date of commencement of this section, the provisions of this section shall not apply to and in respect of that motor vehicle until the expiration of that registration or until the expiration of a period of thirty days after that date, whichever first happens.

(2) In addition to its application to proceedings of the kind referred to in the last preceding subsection, the presumption of agency under that subsection applies to—

(a) proceedings against the estate of the deceased owner or driver of the motor vehicle under or by virtue of Part II of the *Law Reform (Miscellaneous Provisions) Act 1955*;

(a) the driver of the motor vehicle shall not be entitled to recover from the authorized insurer any sum on account of any moneys (including costs) paid or payable by the driver in respect of his or her liability in respect of the death or bodily injury, but any amount necessary to satisfy that liability shall be paid by the authorized insurer to the person to whom the liability was incurred; and

(3) Nothing said or done by or on behalf of the authorized insurer in connexion with the settlement of any such claim or the defence or conduct of any such proceedings shall be regarded as an admission of liability in respect of, or shall in any way prejudice, any other claim, action or proceeding arising out of the same occurrence.

insured motor vehicle) or to the nominal defendant (where the motor vehicle is an uninsured motor vehicle).

(2) If at the time of the occurrence referred to in subsection (1) the person driving the motor vehicle (in this subsection referred to as “the driver”) was not the owner of the motor vehicle, the driver shall as soon as practicable give a notification in writing—

(a) to the owner of the motor vehicle; or

(b) to the authorized insurer (where the motor vehicle is an insured motor vehicle) or the nominal defendant (where the motor vehicle is an uninsured motor vehicle).

(3) The notification shall set forth as fully as possible the following information:

71. (1) Every third-party policy in relation to a motor vehicle shall enure in favour of the owner for the time being and the driver, notwithstanding any change in the ownership of the motor vehicle, but shall cease to have effect when another third-party policy in relation to that motor vehicle comes into force except in relation to any liability, whether under the policy or under this Act, accrued or incurred before that other third-party policy came into force.

(2) As soon as practicable after the owner of an insured motor vehicle sells or ceases to have possession of the motor vehicle—

(a) he or she shall give notice of that fact to the authorized insurer who issued the third-party policy; and

(2) As soon as practicable after the sale or other disposal of any business in respect of which a trader’s plate is in issue—

(b) To the nurse—the sum of $1.05 for all emergency treatment rendered by the nurse to the person or persons injured in the accident together with any travelling expenses reasonably and necessarily incurred in respect of the emergency treatment so rendered which sum shall, if emergency treatment is rendered to 2 or more persons, be deemed to have been paid on behalf of all those persons in equal shares;

(c) To any person who conveyed the injured person as mentioned in this subsection—an amount to be ascertained in accordance with the regulations.

(2) In this section, “emergency treatment” means such medical or surgical treatment or examination by a legally qualified medical practitioner or a registered nurse as is immediately required as the result of any such injury as is mentioned in the last preceding subsection.

(c) within 1 month after admission to a hospital for treatment as a result of the occurrence out of which the death or bodily injury arose, notice in writing of a claim under this section is given by that hospital to the authorized insurer,

the authorized insurer shall pay to the hospital the amount owing to the hospital in respect of treatment afforded to the person who has so died or been injured, such amount to be calculated at the rates fixed by regulations made in pursuance of the *Canberra Community Hospital Ordinance 1938-1945*, with ward accommodation at the public ward rates, or the rates prescribed under the compulsory third-party insurance Act in the State in which the treatment is given:

Provided that the amount payable by the authorized insurer to the hospital in respect of any such bodily injury (whether fatal or not) shall not exceed $100 for each person so treated as an in-patient or $10 for each person so treated as an out-patient or, in either case, one-fifth of the total amount (exclusive of costs) paid by the authorized insurer in respect of the injury, whichever is the lesser:

Provided also that, where the person who dies or is bodily injured receives treatment at more than 1 hospital and the total amount owing to those hospitals in respect of such treatment exceeds the maximum sum payable under this section, that sum shall be divisible between the hospitals in proportion to their respective claims.

**Surgical and medical treatment**

76. (1) Where—

(a) any payment is made (whether or not with an admission of liability) by an insurer, under or in consequence of a third-party policy, in respect of the death of or bodily injury to any person caused by or arising out of the use of a motor vehicle;

(b) the person who died or was injured received medical, dental or surgical treatment by a legally qualified medical practitioner, registered dentist, nurse or masseur in respect of the bodily injury (whether fatal or not) so caused or arising; and
(c) within 1 month after the occurrence out of which the death of, or bodily injury to, the person arose, notice in writing of a claim under this section is made to the authorized insurer by the medical practitioner, dentist, nurse or masseur from whom that person received medical, dental or surgical treatment,

the authorized insurer shall pay to that medical practitioner, dentist, nurse or masseur the amount owing for the treatment afforded to the person who has so died or been injured, having regard to the reasonable necessity therefor, at the customary charge made in the community for treatment of the nature afforded:

Provided that the amount payable by the authorized insurer to the medical practitioner, dentist, nurse or masseur in respect of the bodily injury (whether fatal or not) shall not exceed $100 for each person so treated.

(2) If the total amount owing to any medical practitioner, dentist, nurse or masseur in respect of the treatment of a person who dies or is bodily injured exceeds $100, the sum of $100 payable by the authorized insurer shall be divisible between the claimants in proportion to their respective claims.

Apportionment of cost of medical and surgical treatment

77. Where 2 or more authorized insurers make payments under or in consequence of a third-party policy, in respect of the death of, or bodily injury to, a person caused by or arising out of the use of two or more motor vehicles, each such authorized insurer shall pay an equal share of any payments required to be made under sections 74, 75 and 76.

Reduction of liability

78. The liability (if any) of—

(a) the owner or driver of a motor vehicle in respect of the death of or bodily injury to any person or persons caused by or arising out of the use of the motor vehicle; and

(b) the authorized insurer to the owner or driver under the policy of insurance,

shall be reduced by the amount paid by the authorized insurer under sections 74, 75 and 76.

Nominal defendant standing for authorised insurer

79. For the purposes of this Part, where death or bodily injury to any person is caused by the use of an uninsured or unidentified motor vehicle on a
public street, any reference to an authorized insurer shall be read as a reference to the nominal defendant.

**Payment by authorised insurer**

**80.** Any payment by an authorized insurer or the nominal defendant under and in accordance with sections 74, 75 and 76 in respect of the treatment or conveyance of a person who dies or suffers bodily injury shall, to the extent of such payment, but subject to section 87, be a discharge of the liability of any person in respect of that treatment or conveyance.

**Actions for damage to be tried without a jury**

**81.** Every action brought against the owner or driver of a motor vehicle or against the nominal defendant, in respect of the death of, or bodily injury to, any person caused by or arising out of the use of a motor vehicle shall be tried without a jury.

**Disqualification of person holding driving licence**

**82.** An authorized insurer may apply to a court of summary jurisdiction for an order disqualifying any person for such period as the court thinks fit from holding and obtaining a licence to drive a motor vehicle under this Act.

**Insurance of public motor vehicles against damage to property**

**83.** (1) The owner of a motor omnibus, taxi or private hire car shall insure himself and keep himself insured to the extent of at least Two thousand dollars under a policy of insurance issued by an authorized insurer against liability to any damages in respect of damage to property caused by or arising out of the use of the motor omnibus, taxi or private hire car and every such policy shall be in the prescribed form.

   (2) The insurance required by the last preceding subsection shall be additional to the insurance required under this Part in respect of the death of, or bodily injury to, any person caused by or arising out of the use of a motor vehicle.

   (3) Registration or renewal of registration of a motor omnibus, taxi or private hire car shall not be granted unless and until there is lodged with the Registrar a certificate in or to the effect of the prescribed form issued by an authorized insurer that a policy of the nature specified in subsection (1) expressed to commence upon the date of issue of the certificate or upon a date not later than the date of commencement of the registration or renewal of registration and to terminate upon the date of expiration of the registration or
renewal will be issued by that authorized insurer in relation to the motor omnibus, taxi or private hire car.

(4) Where an authorized insurer accepts the appropriate amount of insurance premium in respect of the insurance under this section of a motor omnibus, taxi or private hire car, he or she shall forthwith issue to the owner a certificate of the nature referred to in subsection (3) in relation to the motor omnibus, taxi or private hire car.

(5) An authorized insurer who issues any such certificate—

(a) shall, for the purposes of this section relating to the liability of authorized insurers, be deemed to have issued a policy in conformity with the certificate; and

(b) shall, at the time of issue of the certificate, or as soon as practicable thereafter, issue a policy in conformity with the certificate.

(6) A policy issued by an authorized insurer in relation to a motor omnibus, taxi or private hire car shall commence on the date on which it is expressed to commence and shall continue in force—

(a) in any case where the authorized insurer notifies the Registrar, at least 30 days before the date on which the policy is expressed to terminate, that he or she will not renew the policy—until that date;

(b) in any case not provided for in paragraph (a), and where another policy issued by the same or another authorized insurer in relation to that motor omnibus, taxi or private hire car commences during the period of 15 days next following the date on which the first-mentioned policy is expressed to terminate—until that commencement; and

(c) in any other case—until 15 days after the date on which it is expressed to terminate.

(7) Where an authorized insurer issues a renewal of a policy in relation to a motor omnibus, taxi or private hire car for a period expressed to terminate on the date of expiration of a renewal of the registration of the motor omnibus, taxi or private hire car—

(a) the insurance premium shall be payable as if the renewal of the policy were expressed to commence from the date of commencement of the renewal of registration, whether or not the renewal of the policy is so expressed; and
(b) the authorized insurer shall not be liable under the renewal of the policy in respect of any damage to property caused by or arising out of the use of the motor omnibus, taxi or private hire car during the period (if any) between the date from which the renewal of the policy is expressed to commence and the date of payment of the amount of insurance premium in respect of the renewal of the policy.

(8) Nothing in subsection (7) shall affect the operation of subsection (6), or exempt any authorized insurer from liability under any policy continued in force by that subsection.

(9) Where, upon the date of commencement of this section, a motor omnibus, taxi or private hire car is registered and there is in force a policy of insurance in respect of that omnibus or car, which to any extent insures the owner of the omnibus or car against liability to pay compensation in respect of damage to property caused by or arising out of the use of the omnibus or car, the policy shall, until the expiration of the registration of the omnibus or car or until the expiration of 30 days after the commencement of this section, whichever period is the lesser, have effect as follows:

(a) The policy shall, as regards any such liability, be deemed, for all purposes of the Act to be a policy as prescribed in the preceding provisions of this section, and the policy shall be deemed to have been varied, modified or amended in such manner and to such extent as may be necessary to give effect to this subsection;

(b) The insurer who issued the policy shall, for the purposes only of that policy and of this subsection, be deemed to be an authorized insurer whether or not he or she has been approved as such, but nothing in the foregoing provisions of this subsection shall affect the operation of the existing policy in so far as the existing policy insures the owner of the omnibus or car against any liability other than the liability to which those provisions relate.

Nominal defendant

84. (1) The Minister may from time to time, by notification in the Gazette, appoint any person resident in the Territory to be the nominal defendant for the purposes of this Act and may, from time to time, in like manner, revoke any such appointment.

(2) Any such appointment shall be made on the nomination of the authorized insurers or a majority of them or, in default of nomination, directly by the Minister.
Any action or proceeding by or against the nominal defendant may be taken in the name of “The Nominal Defendant” and the death or resignation of or the revocation of the appointment of the person holding office as nominal defendant at the time any action or proceeding was commenced and the appointment of another person in his or her place shall not abate the action or proceeding but the action or proceeding may be continued and concluded as if there had been no such death, resignation, revocation or appointment.

The nominal defendant shall, as soon as practicable after the end of each calendar year, prepare and furnish to the Minister a report concerning his or her operations during that year.

Claims in respect of uninsured and unidentified motor vehicles

Every claim for damages in respect of the death of, or bodily injury to, any person caused by or arising out of the use of an uninsured motor vehicle in a public street shall be made to the nominal defendant and not to the owner or driver of the uninsured motor vehicle and any proceedings to enforce any such claim for damages shall be taken against the nominal defendant and not against the owner or driver of the uninsured motor vehicle.

A claim may be so made and proceedings may be so taken notwithstanding that the owner or driver of the uninsured motor vehicle is dead or cannot be found.

Where the death of or bodily injury to any person is caused by or arises out of the use of a motor vehicle in a public street but the identity of the motor vehicle cannot after due inquiry and search be established, any person who could have enforced a claim for damages against the owner or driver of the motor vehicle in respect of the death or bodily injury may enforce against the nominal defendant the claim which he or she could have enforced against the owner or driver of the motor vehicle.

The inquiry and search for the purpose of establishing the identity of the motor vehicle may be proved orally or by affidavit of the person who made the inquiry and search.

Subject to subsection (6), an action to enforce any such claim shall not lie against the nominal defendant unless notice of intention to make a claim is given by the claimant to the nominal defendant—

in the case of an action for the recovery of any amount referred to in subsection 76 (1)—within the time prescribed by paragraph 76 (1) (c);
(b) in any other case—within a period of three months after the occurrence out of which the claim arose, or within such further period as the nominal defendant allows.

(6) Where the nominal defendant refuses to allow a further period in pursuance of paragraph (5) (b) or a notice referred to in subsection (5) has not been given as required by that subsection within a further period so allowed, the court may, upon sufficient cause being shown, allow such further period as it thinks fit for giving to the nominal defendant notice of intention to make a claim.

Payment by nominal defendant

86. (1) The nominal defendant shall not be personally liable to pay any amount payable in satisfaction of any claim made or judgment recovered against him or her or the amount of any costs or expenses incurred by him or her in relation to any such claim or to the proceedings in which the judgment was obtained, but every such amount shall be paid by the nominal defendant out of moneys provided by the Territory or Commonwealth and the authorized insurers in accordance with this Act.

(2) Any amount which is required by subsection (1) to be provided by the Territory or Commonwealth and the authorized insurers shall be apportioned by the Registrar, in proportions determined by him or her, amongst the Territory or Commonwealth and those who were authorized insurers at the time of the occurrence out of which the claim arose.

(3) Any amounts (not being amounts to which subsection (1) applies) from time to time necessary to meet any costs and expenses incurred by the nominal defendant in or in connexion with the exercise and discharge of the powers, authorities, duties and functions conferred and imposed upon him or her by or under this Act shall be apportioned by the Registrar, in proportions determined by him or her, amongst the Territory or Commonwealth and the authorized insurers.

(4) In making any determination under this section, the Registrar shall have regard so far as practicable to the premium incomes in respect of third-party policies received by each authorized insurer during a period adopted by the Registrar for the purpose and, in the case of the Territory or Commonwealth, the premiums which would have been payable in respect of motor vehicles the property of the Territory or Commonwealth and ordinarily used in the Territory during that period if those vehicles had been insured under this Part.
(5) When the Registrar makes any appointment under this section he or she shall give notice to the Territory or Commonwealth and to each authorized insurer concerned of the sum which the Registrar has determined as being payable by the Territory or Commonwealth or by that authorized insurer and shall in the notice require the Territory or Commonwealth or the authorized insurer, as the case may be, to pay that sum to the nominal defendant within a time to be specified in the notice.

(6) The Registrar may revoke, alter or vary any such notice from time to time as occasion requires.

(7) Where an authorized insurer neglects or fails to pay to the nominal defendant the sum specified in any notice given to him or her under this section within the time specified in the notice he or she shall be guilty of an offence against this Act and shall be liable to a penalty not exceeding $200, and the court, in addition to imposing a penalty, may order that authorized insurer to pay to the nominal defendant such amount or such portion of it as remains unpaid.

(8) Any such order shall operate as an order for the payment of money under the Magistrates Court Act 1930, and be enforceable under the provisions of that Act.

(9) For the purpose of enforcing payment of any order, the order may be entered in the records of the Magistrates Court in such manner as is prescribed by rules made under that Act.

Recovery from owner or driver

87. (1) Any amount paid by the nominal defendant in satisfaction of a claim made or judgment recovered against the nominal defendant and the amount of any costs or expenses properly incurred by the nominal defendant in relation to any such claim or to the proceedings in which the judgment was obtained may be recovered by the nominal defendant as a debt from the person who, at the time of the occurrence out of which such claim arose or in respect of which such judgment was obtained, was the owner of the motor vehicle or, where at the time of that occurrence some other person was driving the vehicle, from the owner and the driver jointly or from either of them severally:

Provided that—

(a) it shall be a sufficient defence in any proceedings under this section against the owner (whether severally or jointly with the driver) if he or she establishes to the satisfaction of the court that, at the time of the occurrence, some other person was driving the motor vehicle without his or her authority;
(b) it shall be a sufficient defence in any proceedings under this section against the driver of an uninsured motor vehicle (whether severally or jointly with the owner) if he or she establishes to the satisfaction of the court that, at the time of the occurrence, he or she was driving the motor vehicle with the authority of the owner or had reasonable grounds for believing and did in fact believe that the motor vehicle was an insured motor vehicle.

(2) Any amount recovered by the nominal defendant under this section shall be paid by the nominal defendant, in proportions determined by the Registrar, to the Territory or Commonwealth and the authorized insurers who provided the amount paid by the nominal defendant.

(3) In making a determination under subsection (2), the Registrar shall have regard so far as practicable to the proportion of the amount provided by the Territory or Commonwealth and each such authorized insurer.

Maximum rates of premiums may be prescribed

88. (1) The maximum rates of premiums which may be charged by an authorized insurer in respect of third-party policies shall be such rates as are prescribed.

(2) Different maximum rates may be prescribed in respect of third-party policies in relation to different classes of motor vehicles having regard to the purposes for which those motor vehicles are used or the areas in which those motor vehicles are mainly used or are usually garaged or the periods for which the third-party policies are expressed to be effective, or otherwise.

(3) If an authorized insurer demands, charges or accepts in respect of any third-party policy any premium or sum of money greater than the appropriate maximum rate of premium prescribed or, where an order has been made pursuant to section 58, greater than the amount of premium, or, as the case may be, the amount of premium and the additional amount specified in the order, he or she shall be guilty of an offence.

Use of motor vehicle where appropriate insurance premium not paid

89. (1) Any person who uses or causes, permits or suffers any other person to use upon a public street any insured motor vehicle shall, if the appropriate amount of insurance premium payable in relation thereto has not been paid, be guilty of an offence and shall be liable to a penalty not exceeding $500.

(2) The authorized insurer may recover as a debt from any such person, the difference between the amount of premium (if any) actually paid in relation to the motor vehicle so used and the appropriate amount of premium.
(3) Notwithstanding any other provision of this Act, failure by any person to lodge or pay in full the appropriate amount of insurance premium in respect of the insurance of a motor vehicle (whether his or her failure is due to error or omission, or to any change of circumstances or other matter affecting the amount payable as the appropriate amount of insurance premium) shall not affect the validity of any third-party policy issued or deemed to have been issued, or any registration of the motor vehicle.

Production of evidence of insurance policy

90. Any owner of a motor vehicle who, on being required by any inspector or any officer in the execution of his or her duty or by any member of the Police Force, to produce evidence that there is in force in respect of every motor vehicle owned by him or her a policy of insurance complying with this Act, fails to do so, shall be guilty of an offence unless—

(a) he or she has a reasonable excuse; or

(b) he or she produces the evidence so required at the Motor Registry, or a Police Station (to be nominated by him or her to any inspector, officer or member of the Police Force at the time when the requirement is made) within 3 days of the time when its production was so required.

Penalty: $200.

Evidence of insurance

90A. (1) For the purposes of this Part, a document issued by the Registrar bearing his or her written, stamped or printed signature and stating that the records kept in the office of the Registrar do not contain an entry that a third-party policy was in force on a specified date or during a specified period in relation to a specified motor vehicle, or in relation to a motor vehicle to which a specified trader’s plate was affixed, is evidence that on the specified date or during the specified period a third-party policy was not in force in relation to the specified motor vehicle or in relation to a motor vehicle to which the specified trader’s plate was affixed.

(2) In proceedings under this Part, a document purporting to be a document referred to in subsection (1) and purporting to be signed by the Registrar is admissible in evidence as such a document without proof of the signature of the person by whom it purports to have been issued or of the fact that he or she was the Registrar.

Court to apportion damages
91. Where a judgment is obtained for payment of damages in respect of the death of, or bodily injury to, any person caused by or arising out of the use of an insured motor vehicle as well as for damages in respect of any other matter, the court shall as part of its judgment declare what portion of the sum awarded by such judgment is in respect of the death or bodily injury and shall apportion any costs awarded.

Conviction not to affect civil remedy

92. No proceeding or conviction for any act or omission by this Act declared to be an offence shall affect any remedy which any person aggrieved or injured by the act or omission may be entitled to at law or in equity against the person who committed the act or who was responsible for the omission.

93. Subsection 51 (1) does not apply in relation to—

(a) a visiting motor vehicle;

(b) a vehicle to which there applies a licence that is to be deemed to have been granted under section 216,

**Signs permitting left turns**

Authorised by the ACT Parliamentary Counsel—also accessible at www.legislation.act.gov.au
112C. Notwithstanding section 112B, where a traffic sign bearing the words “TURN LEFT AT ANY TIME WITH CARE” is erected at an intersection or junction of one public street with another public street at which traffic lights are erected, the driver of a motor vehicle approaching that intersection or junction may, subject to section 112D, turn the motor vehicle to his or her left into another public street at that intersection or junction.

Dangerous turns at intersections

112D. The driver of a motor vehicle upon a public street shall not, within or near an intersection or junction of that public street with another public street at which traffic lights are erected—

(a) turn or continue to turn the motor vehicle to the left, whether in the circumstances referred to in section 112C or otherwise;

(b) turn or continue to turn the motor vehicle to the right; or

(c) having so turned his or her vehicle, continue to move the vehicle forward within the intersection,

while there is a reasonable possibility that the motor vehicle might collide with another vehicle or person or a dangerous situation might otherwise be created.

Defences

112E. It is a defence to a prosecution for an offence against section 112A if the defendant satisfies the Court that—

(a) while he or she was approaching the traffic lights, the traffic lights facing the direction opposite to the direction in which he or she was proceeding changed from displaying a circular green light or an arrow in green light to displaying a circular light or an arrow of another colour; and

(b) having regard to all the circumstances of the case at the time of the change of lights (including his or her distance from the lights and considerations for the safety of himself or herself, any passengers or his or her motor vehicle, and any other person and vehicles in the vicinity), the defendant could not have reasonably stopped the motor vehicle before reaching the road marking which, together with the traffic lights, forms the traffic sign referred to in that section.

Certain lines not to constitute road markings
112F. A reference in this Part to a road marking comprising a line marked across or partly across a public street at, near or below traffic lights erected at, near or above an intersection of 1 public street with another public street shall not be read as including a reference to any line so marked that, together with—

(a) other lines so marked; or
(b) other lines so marked and kerbs or traffic islands,
delineates an area within the intersection.

When traffic lanes deemed to be separate public streets
112G. Where—

(a) traffic lights are erected at, near or above an intersection or junction of 1 public street with another public street;

(b) immediately before the intersection or junction, the carriageway of any 1 of those public streets is divided by traffic islands or unbroken lines into traffic lanes for vehicles travelling in the same direction; and

(c) the movement into or through the intersection or junction of motor vehicles in any 1 or more of those traffic lanes is controlled by 1 set of traffic lights and the movement into or through the intersection or junction of motor vehicles in the other traffic lane or other traffic lanes is controlled by another set of traffic lights,
each of those traffic lanes shall, for the purposes of this Part, be deemed to be a public street.

Intersections or junctions of dual carriageway public streets
112H. Where—

(a) a public street (in this section referred to as “the first-mentioned public street”) is divided by an area of land or by a traffic island into separate carriageways for vehicles travelling in opposite directions;

(b) another public street, or each carriageway into which another public street is divided by an area of land or a traffic island intersects both the carriageways into which the first-mentioned public street is divided;

(c) traffic lights are erected at, near or above those intersections or that intersection and that junction; and
(d) the carriageways of the other public street that are between the
carriageways, within the intersection, of the first-mentioned street are
divided by an area of land or a traffic island,
then, for the purposes of this Part—
(e) each intersection of the carriageways of the first-mentioned public
street with each carriageway of the other public street shall be deemed
to be the intersection of one public street with another public street; and
(f) each of the carriageways of the other public street that are referred to
in paragraph (d) shall be deemed to be a public street.

Rules in this Part not to apply when directions are given by police

112J. Where a member of the Police Force in uniform is giving directions
regulating or controlling the movement of traffic—
(a) entering or passing through an intersection or junction of one public
street with another public street at, near or above which there are
traffic lights displaying a light of any description specified in the table
in subsection 112B (1); or
(b) approaching, elsewhere than at an intersection or junction of one
public street with another public street, traffic lights that are
displaying such a light,
sections 112A, 112C and 112D do not apply to or in relation to the driver of a
motor vehicle that is approaching or is stopped before the traffic lights.

CONDITIONS TO BE COMPLIED WITH BEFORE A MOTOR VEHICLE IS REGISTERED

1. The particulars required to be inserted on the application form shall be inserted by the applicant.
2. The motor vehicle shall be produced as directed by the Registrar for examination or inspection by an inspector.
3. The motor vehicle shall be capable of being so worked that it may travel either backwards or forwards and be capable of being readily steered.
4. The steering arms and connexions shall be of sufficient length and as far as possible protected from damage by collision.
5. All brake and steerage connexions shall be secured with bolts, the bolts shall be fitted with nuts, and the nuts shall be locked or pinned.
6. Clauses 3 to 5 (both inclusive) shall not apply to motor cycles.
7. (1) The motor vehicle, if other than a motor cycle, shall have—
   (a) 2 independent and efficient braking systems, 1 of which shall act directly on not less than half of the road wheels, or, where the vehicle has less than 4 wheels, on 1 wheel, and each system shall be capable of stopping the vehicle within a reasonable distance under the most adverse conditions. 1 of these systems shall be operated by a foot pedal and the other by a hand lever; or
   (b) an efficient braking system comprising brakes—
      (i) fitted to all the wheels with 2 separate means of actuation, 1 by a foot pedal and the other by a hand lever; and
      (ii) so arranged that, in the event of failure of any part of the system, there will remain effective braking on not less than 2 wheels.
(2) In the case of a motor cycle without a side-car, the motor cycle shall have at least 1 efficient braking system capable of stopping and holding the vehicle.
(3) In the case of a motor cycle with a side-car, the motor cycle and the side-car shall have—
   (a) 2 independent and efficient braking systems, 1 of which shall be operated by a foot pedal and the other by a hand lever or other appliance for holding the brake in the “on” position; or
   (b) 1 efficient braking system capable of being held in the “on” position, acting directly on at least 2 wheels and so arranged that, in the event of failure of any part, there will remain effective braking on at least 1 wheel.
8. All fittings shall be in such condition as not to be likely to cause annoyance by bad smell or otherwise, or danger to any person upon the motor vehicle or upon a public street.

8A. (1) This clause applies to a motor vehicle the road wheels of which are fitted with pneumatic tyres.
(2) Those tyres and the rims to which they are fitted shall be of such a type, and in such condition, as not to be likely to cause danger to any person or goods upon the motor vehicle or to any person or other vehicle upon a public street.
(3) The tread of each of those tyres—
   (a) shall have in its surface grooves, being—
      (i) grooves the depth of no portion of which is less than 1.50 millimetres; and
      (ii) grooves that, in the case of a tyre fitted to a motor vehicle that is a passenger car or a passenger car derivative within the meaning of section 7A, have not been formed otherwise than by moulding of the tread; or
SCHEDULE 2—continued

(b) shall be formed by ridges protruding not less than 1.50 millimetres from the adjacent surface of the case of the tyre.

(4) Subclause (3) does not apply in relation to the tyres fitted to a vehicle that is constructed primarily for use as a road-roller.

(5) Tyres in relation to which this clause applies shall not be fitted with cleats, studs or other gripping devices of a material other than rubber.

(6) Subclause (5) shall not be taken to prohibit the use, where necessary for the safe operation of a motor vehicle, of chains fitted around the tyres of the vehicle.

9. The lubrication of the engine and the carburation of the working mixture shall be so controlled that smoke is not projected with the exhaust, or from any other part.

10. Lamps and reflectors shall be carried and affixed to a motor vehicle or trailer to enable such of the provisions of sections 182, 183, 184 and 185 as are applicable to the motor vehicle or trailer to be complied with at any time.

(2) The lamp bracket shall be so affixed as not to obscure any portion of the rear number-plate.

11A. A pair of trader’s plates used on a motor vehicle (other than a motor cycle) shall be so affixed that 1 is clearly visible to the front of the motor vehicle and the other is clearly visible to the rear of the motor vehicle, and a trader’s plate used on a motor cycle or trailer shall be so affixed that it is clearly visible to the rear of the vehicle.

12. An efficient horn or other means of alarm shall be attached to the motor vehicle in a convenient position.

13. The motor vehicle shall not exceed 2.50 metres in width, measured between its extreme projecting points.

14. The motor vehicle shall have an effective silencer so made and affixed that the exhaust will be projected through the silencer.

15. A side-car shall not be affixed upon the right-hand side of any motor cycle.

16. In the application for registration of a motor vehicle, the weight unladen, and the width and material of the tyres, when other than rubber tyres, shall be stated.

If the Registrar so requires the vehicle shall be weighed in the presence of an inspector.

17. The name and address of the owner and weight of the vehicle shall be painted on every motor lorry or omnibus in plain block letters, at least 25 millimetres in height, in a conspicuous position on the right-hand side of the vehicle.

19. The motor vehicle shall, if fitted with a windscreen, be equipped with a device capable of effectively removing rain, snow or other moisture from the portion of the windscreen immediately in front of the driver and so constructed and situated that it can be controlled or operated by the driver from the driver’s seat of the vehicle.

20. Where a motor vehicle is propelled by producer gas, the equipment which generates the gas shall—

(a) be securely attached to the vehicle or to a trailer drawn by the vehicle, and shall be so mounted that there is no danger of igniting the woodwork of the vehicle, or other combustible material (including, in the case of a vehicle propelled partly by petrol, the petrol in the tank, pipes and carburettor);
SCHEDULE 2—continued

21. Where the engine of a motor vehicle does not have a maker’s number stamped on it, the engine shall have stamped on it such number as the Registrar allots in respect of that engine.

22. (1) This clause applies to a motor vehicle manufactured on or after 1 July 1970—

(a) that is not a motor cycle or a motor tractor; and

(b) the motive power of which is provided by a reciprocating internal-combustion engine other than a diesel engine.

(2) The motor vehicle shall be so constructed or equipped as to prevent the escape from the crank-case of gases otherwise than in such a manner as will ensure that, when the engine is running, those gases are drawn into the combustion chambers of the engine of the motor vehicle.

NOTES

1. The Motor Traffic Act 1936 (a) as shown in this reprint comprises Act No. 45, 1936 amended as indicated in the Tables below.

The Motor Traffic Act 1936 was amended by the Motor Traffic Regulations. The amendment made by these Regulations was repealed by Regulations 1965 No. 5.

Citation of Laws—The Self-Government (Citation of Laws) Act 1989 (No. 21, 1989) altered the citation of most Ordinances so that after Self-Government day they are to be cited as Acts. That Act also affects references in ACT laws to Commonwealth Acts.
