About this republication

The republished law

This is a republication of the *Motor Traffic Act 1936* effective from 18 June 1999 to 15 August 1999.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation (Republication) Act 1996*, part 3, division 2 authorised the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation (Republication) Act 1996*, s 14 and s 16). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

(3) Where the Registrar refuses the renewal of, or cancels the registration of, an insured motor vehicle on the ground that the vehicle or its parts or equipment is not in a thoroughly serviceable condition or does not comply with requirements prescribed by or under this Act, the Registrar shall give to the authorised insurer who issued the third-party policy in relation to the use of that motor vehicle a notice in writing of the cancellation or refusal.

(4) In any case not provided for in subsection (1) or (2), a third-party policy may be cancelled by the authorised insurer after a notice specifying a date, not being a date earlier than 30 days after service of the notice, upon which the authorised insurer proposes to cancel the policy has been served on the Registrar and (except where the owner of the motor vehicle or the trader has applied to the authorised insurer for cancellation of the policy) on the owner of the motor vehicle or the trader, as the case may be.

(5) Where an appeal to the Minister under section 58 is lodged on or before the date specified in the notice, the third-party policy shall not be cancelled unless and until the proposed cancellation is confirmed by order made by the Minister or the appellant fails to comply with any direction by him or her to be performed in the order made by the Minister.

(6) Where an authorised insurer cancels a third-party policy under this section, he or she shall notify the Registrar of the fact.

(7) Whilst the registration of a motor vehicle is current or a trader's plate is in issue, the authorised insurer shall not (whether upon application by the owner of the motor vehicle or the trader, or otherwise) cancel the third-party policy except—

(5) The fact that the insured person cannot be served with process may be proved orally or by the affidavit of the person who endeavoured to effect service.

(1A) A policy maintained in accordance with subsection (1), other than a policy that also includes other insurance, shall be in the prescribed form.

(2) The insurance required by subsection (1) shall be additional to the insurance required under this Part in respect of the death of, or bodily injury to, any person caused by or arising out of the use of a motor vehicle.

(3) Registration or renewal of registration of a public motor vehicle, private hire car or restricted hire vehicle shall not be granted unless and until there is lodged with the Registrar a certificate in or to the effect of the prescribed form issued by an authorised insurer that a policy of the nature specified in subsection (1) expressed to commence upon the date of issue of the certificate or upon a date not later than the date of commencement of the registration or renewal of registration and to terminate upon the date of expiration of the registration or renewal will be issued by that authorised insurer in relation to the public motor vehicle, private hire car or restricted hire vehicle.

(4) Where an authorised insurer accepts the appropriate amount of insurance premium in respect of the insurance under this section of a public motor vehicle, private hire car or restricted hire vehicle, he or she shall issue to the owner a certificate of the nature referred to in subsection (3) in relation to the public motor vehicle, private hire car or restricted hire vehicle.

(5) An authorised insurer who issues any such certificate—

- (b) in any case not provided for in paragraph (a), and where another policy issued by the same or another authorised insurer in relation to that public motor vehicle, private hire car or restricted hire vehicle commences during the period of 15 days next following the date on which the first-mentioned policy is expressed to terminate—until that commencement; and
- (c) in any other case—until 15 days after the date on which it is expressed to terminate.

(7) Where an authorised insurer issues a renewal of a policy in relation to a public motor vehicle, private hire car or restricted hire vehicle for a period expressed to terminate on the date of expiration of a renewal of the registration of the public motor vehicle, private hire car or restricted hire vehicle—

- (a) the insurance premium shall be payable as if the renewal of the policy were expressed to commence from the date of commencement of the renewal of registration, whether or not the renewal of the policy is so expressed; and
- (b) the authorised insurer shall not be liable under the renewal of the policy in respect of any damage to property caused by or arising out of the use of the public motor vehicle, private hire car or restricted hire vehicle during the period (if any) between the date from which the renewal of the policy is expressed to commence and the date of payment of the amount of insurance premium in respect of the renewal of the policy.

(8) Nothing in subsection (7) shall affect the operation of subsection (6), or exempt any authorised insurer from liability under any policy continued in force by that subsection.

(9) Where, upon the date of commencement of this section, a public motor vehicle, private hire car or restricted hire vehicle is registered and there is in force a policy of insurance in respect of that vehicle or car, which to any extent insures the owner of the vehicle or car against liability to pay compensation in respect of damage to property caused by or arising out of the use of the vehicle or car, the policy shall, until the expiration of the registration of the vehicle or car or until the expiration of 30 days after the commencement of this section, whichever period is the lesser, have effect as follows:

Motor Traffic Act 1936

- (a) The policy shall, as regards any such liability, be deemed, for all purposes of the Act to be a policy as prescribed in the preceding provisions of this section, and the policy shall be deemed to have been varied, modified or amended in such manner and to such extent as may be necessary to give effect to this subsection;
- (b) The insurer who issued the policy shall, for the purposes only of that policy and of this subsection, be deemed to be an authorised insurer whether or not he or she has been approved as such;

but nothing in the foregoing provisions of this subsection shall affect the operation of the existing policy in so far as the existing policy insures the owner of the omnibus or car against any liability other than the liability to which those provisions relate.

84 Nominal defendant

(1) The Minister may from time to time, by notification in the *Gazette*, appoint any person resident in the Territory to be the nominal defendant for the purposes of this Act and may, from time to time, in like manner, revoke any such appointment.

(2) Any such appointment shall be made on the nomination of the authorised insurers or a majority of them or, in default of nomination, directly by the Minister.

(3) Any action or proceeding by or against the nominal defendant may be taken in the name of “The Nominal Defendant” and the death or resignation of or the revocation of the appointment of the person holding office as nominal defendant at the time any action or proceeding was commenced and the appointment of another person in his or her place shall not abate the action or proceeding but the action or proceeding may be continued and concluded as if there had been no such death, resignation, revocation or appointment.

(4) The nominal defendant shall, as soon as practicable after the end of each calendar year, prepare and furnish to the Minister a report concerning his or her operations during that year.

85 Claims in respect of uninsured and unidentified motor vehicles

(1) Every claim for damages in respect of the death of, or bodily injury to, any person caused by or arising out of the use of an uninsured motor vehicle in a public street shall be made to the nominal defendant and not to the owner or driver of the uninsured motor vehicle and any proceedings to

Motor Traffic Act 1936

enforce any such claim for damages shall be taken against the nominal defendant and not against the owner or driver of the uninsured motor vehicle.

(2) A claim may be so made and proceedings may be so taken notwithstanding that the owner or driver of the uninsured motor vehicle is dead or cannot be found.

(3) Where the death of or bodily injury to any person is caused by or arises out of the use of a motor vehicle in a public street but the identity of the motor vehicle cannot after due inquiry and search be established, any person who could have enforced a claim for damages against the owner or driver of the motor vehicle in respect of the death or bodily injury may enforce against the nominal defendant the claim which he or she could have enforced against the owner or driver of the motor vehicle.

(4) The inquiry and search for the purpose of establishing the identity of the motor vehicle may be proved orally or by affidavit of the person who made the inquiry and search.

(5) Subject to subsection (6), an action to enforce any such claim shall not lie against the nominal defendant unless notice of intention to make a claim is given by the claimant to the nominal defendant—

- (a) in the case of an action for the recovery of any amount referred to in subsection 76 (1)—within the time prescribed by paragraph 76 (1) (c);
- (b) in any other case—within a period of 3 months after the occurrence out of which the claim arose, or within such further period as the nominal defendant allows.

(6) Where the nominal defendant refuses to allow a further period in pursuance of paragraph (5) (b) or a notice referred to in subsection (5) has not been given as required by that subsection within a further period so allowed, the court may, upon sufficient cause being shown, allow such further period as it thinks fit for giving to the nominal defendant notice of intention to make a claim.

86 Payment by nominal defendant

(1) The nominal defendant shall not be personally liable to pay any amount payable in satisfaction of any claim made or judgment recovered against him or her or the amount of any costs or expenses incurred by him or her in relation to any such claim or to the proceedings in which the

judgment was obtained, but every such amount shall be paid by the nominal defendant out of moneys provided by the Territory or Commonwealth and the authorised insurers in accordance with this Act.

(2) Any amount which is required by subsection (1) to be provided by the Territory or Commonwealth and the authorised insurers shall be apportioned by the Registrar, in proportions determined by him or her, amongst the Territory or Commonwealth and those who were authorised insurers at the time of the occurrence out of which the claim arose.

(3) Any amounts (not being amounts to which subsection (1) applies) from time to time necessary to meet any costs and expenses incurred by the nominal defendant in or in connection with the exercise and discharge of the powers, authorities, duties and functions conferred and imposed upon him or her by or under this Act shall be apportioned by the Registrar, in proportions determined by him or her, amongst the Territory or Commonwealth and the authorised insurers.

(4) In making any determination under this section, the Registrar shall have regard so far as practicable to the premium incomes in respect of third-party policies received by each authorised insurer during a period adopted by the Registrar for the purpose and, in the case of the Territory or Commonwealth, the premiums which would have been payable in respect of motor vehicles the property of the Territory or Commonwealth and ordinarily used in the Territory during that period if those vehicles had been insured under this Part.

(5) When the Registrar makes any appointment under this section he or she shall give notice to the Territory or Commonwealth and to each authorised insurer concerned of the sum which the Registrar has determined as being payable by the Territory or Commonwealth or by that authorised insurer and shall in the notice require the Territory or Commonwealth or the authorised insurer, as the case may be, to pay that sum to the nominal defendant within a time to be specified in the notice.

(6) The Registrar may revoke, alter or vary any such notice from time to time as occasion requires.

(7) Where an authorised insurer neglects or fails to pay to the nominal defendant the sum specified in any notice given to him or her under this section within the time specified in the notice he or she shall be guilty of an offence against this Act and shall be liable to a penalty not exceeding 5 penalty units, and the court, in addition to imposing a penalty, may order

that authorised insurer to pay to the nominal defendant such amount or such portion of it as remains unpaid.

(8) Any such order shall operate as an order for the payment of money under the *Magistrates Court Act 1930*, and be enforceable under the provisions of that Act.

(9) For the purpose of enforcing payment of any order, the order may be entered in the records of the Magistrates Court in such manner as is prescribed by rules made under that Act.

87 Recovery from owner or driver

(1) Any amount paid by the nominal defendant in satisfaction of a claim made or judgment recovered against the nominal defendant and the amount of any costs or expenses properly incurred by the nominal defendant in relation to any such claim or to the proceedings in which the judgment was obtained may be recovered by the nominal defendant as a debt from the person who, at the time of the occurrence out of which such claim arose or in respect of which such judgment was obtained, was the owner of the motor vehicle or, where at the time of that occurrence some other person was driving the vehicle, from the owner and the driver jointly or from either of them severally.

(2) It shall be a sufficient defence in any proceedings under this section against the owner (whether severally or jointly with the driver) if he or she establishes to the satisfaction of the court that, at the time of the occurrence, some other person was driving the motor vehicle without his or her authority.

(3) It shall be a sufficient defence in any proceedings under this section against the driver of an uninsured motor vehicle (whether severally or jointly with the owner) if he or she establishes to the satisfaction of the court that, at the time of the occurrence, he or she was driving the motor vehicle with the authority of the owner or had reasonable grounds for believing and did in fact believe that the motor vehicle was an insured motor vehicle.

(4) Any amount recovered by the nominal defendant under this section shall be paid by the nominal defendant, in proportions determined by the Registrar, to the Territory or Commonwealth and the authorised insurers who provided the amount paid by the nominal defendant.

(5) In making a determination under subsection (2), the Registrar shall have regard so far as practicable to the proportion of the amount provided by the Territory or Commonwealth and each such authorised insurer.

88 Maximum rates of premiums may be prescribed

(1) The maximum rates of premiums which may be charged by an authorised insurer in respect of third-party policies shall be such rates as are prescribed.

(2) Different maximum rates may be prescribed in respect of third-party policies in relation to different classes of motor vehicles having regard to the purposes for which those motor vehicles are used or the areas in which those motor vehicles are mainly used or are usually garaged or the periods for which the third-party policies are expressed to be effective, or otherwise.

(3) If an authorised insurer demands, charges or accepts in respect of any third-party policy any premium or sum of money greater than the appropriate maximum rate of premium prescribed or, where an order has been made pursuant to section 58, greater than the amount of premium, or, as the case may be, the amount of premium and the additional amount specified in the order, he or she shall be guilty of an offence.

89 Use of motor vehicle where appropriate insurance premium not paid

(1) Any person who uses or causes, permits or suffers any other person to use upon a public street any insured motor vehicle shall, if the appropriate amount of insurance premium payable has not been paid, be guilty of an offence and shall be liable to a penalty not exceeding 5 penalty units.

(2) The authorised insurer may recover as a debt from any such person, the difference between the amount of premium (if any) actually paid in relation to the motor vehicle so used and the appropriate amount of premium.

(3) Notwithstanding any other provision of this Act, failure by any person to lodge or pay in full the appropriate amount of insurance premium in respect of the insurance of a motor vehicle (whether his or her failure is due to error or omission, or to any change of circumstances or other matter affecting the amount payable as the appropriate amount of insurance

premium) shall not affect the validity of any third-party policy issued or deemed to have been issued, or any registration of the motor vehicle.

90 Production of evidence of insurance policy

Any owner of a motor vehicle who, on being required by an inspector, motor traffic officer or police officer, to produce evidence that there is in force in respect of every motor vehicle owned by him or her a policy of insurance complying with this Act, fails to do so, shall be guilty of an offence unless—

(2) In proceedings under this Part, a document purporting to be a document referred to in subsection (1) and purporting to be signed by the Registrar is admissible in evidence as such a document without proof of the signature of the person by whom it purports to have been issued or of the fact that he or she was the Registrar.
