Work Health and Safety Act 2011

A2011-35

Republication No 22
Effective: 10 July 2020

Republication date: 10 July 2020

Last amendment made by A2020-30
About this republication

The republished law

This is a republication of the *Work Health and Safety Act 2011* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 10 July 2020. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 10 July 2020.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel’s Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol [U] appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol [M] appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is $160 for an individual and $810 for a corporation (see *Legislation Act 2001*, s 133).

Work Health and Safety Act 2011

An Act about work health and safety, and for other purposes
Part 1 Preliminary
Division 1.1 Introduction

1 Name of Act

This Act is the Work Health and Safety Act 2011.

Division 1.2 Object

3 Object

(1) The main object of this Act is to provide for a balanced and nationally consistent framework to secure the health and safety of workers and workplaces by—

(a) protecting workers and other persons against harm to their health, safety and welfare through the elimination or minimisation of risks arising from work or from specified types of substances or plant; and

(b) providing for fair and effective workplace representation, consultation, cooperation and issue resolution in relation to work health and safety; and

(c) encouraging unions and employer organisations to take a constructive role in promoting improvements in work health and safety practices, and assisting persons conducting businesses or undertakings and workers to achieve a healthier and safer working environment; and

(d) promoting the provision of advice, information, education and training in relation to work health and safety; and

(e) securing compliance with this Act through effective and appropriate compliance and enforcement measures; and
(f) ensuring appropriate scrutiny and review of actions taken by persons exercising powers and performing functions under this Act; and

(g) providing a framework for continuous improvement and progressively higher standards of work health and safety; and

(h) maintaining and strengthening the national harmonisation of laws relating to work health and safety and to facilitate a consistent national approach to work health and safety in the ACT.

Note A reference to an Act includes a reference to statutory instruments made or in force under the Act, including a regulation and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

(2) In furthering subsection (1) (a), regard must be had to the principle that workers and other persons should be given the highest level of protection against harm to their health, safety and welfare from hazards and risks arising from work or from specified types of substances or plant as is reasonably practicable.
Division 1.3 Interpretation

Subdivision 1.3.1 Definitions

4 Definitions

The dictionary at the end of this Act is part of this Act.

Note 1 The dictionary at the end of this Act defines certain terms used in this Act, and includes references (signpost definitions) to other terms defined elsewhere.

For example, the signpost definition ‘employee record, in relation to an employee—see the Privacy Act 1988 (Cwlth), section 6 (1).’ means that the term ‘employee record’ is defined in that section and the definition applies to this Act.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire Act unless the definition, or another provision of the Act, provides otherwise or the contrary intention otherwise appears (see Legislation Act, s 155 and s 156 (1)).

Subdivision 1.3.2 Other important terms

Part 2  Health and safety duties

Division 2.1  Introductory

Subdivision 2.1.1  Principles that apply to duties

13  Principles that apply to duties

This subdivision sets out the principles that apply to all duties that persons have under this Act.

Note 1  The principles will apply to duties under this part and other parts of this Act such as duties relating to incident notification and consultation.

Note 2  A reference to an Act includes a reference to statutory instruments made or in force under the Act, including a regulation and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

14  Duties not transferrable

A duty cannot be transferred to another person.

15  Person may have more than 1 duty

A person can have more than 1 duty by virtue of being in more than 1 class of duty-holder.

16  More than 1 person can have a duty

(1)  More than 1 person can concurrently have the same duty.

(2)  Each duty-holder must comply with that duty to the standard required by this Act even if another duty-holder has the same duty.

Note  A reference to an Act includes a reference to statutory instruments made or in force under the Act, including a regulation and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).
(3) If more than 1 person has a duty for the same matter, each person—
   (a) retains responsibility for the person’s duty in relation to the matter; and
   (b) must discharge the person’s duty to the extent to which the person has the capacity to influence and control the matter or would have had that capacity but for an agreement or arrangement purporting to limit or remove that capacity.

17 Management of risks

A duty imposed on a person to ensure health and safety requires the person—
   (a) to eliminate risks to health and safety, so far as is reasonably practicable; and
   (b) if it is not reasonably practicable to eliminate risks to health and safety, to minimise those risks so far as is reasonably practicable.

Subdivision 2.1.2 What is reasonably practicable

18 What is reasonably practicable in ensuring health and safety

In this Act:

reasonably practicable, in relation to a duty to ensure health and safety, means that which is, or was at a particular time, reasonably able to be done in relation to ensuring health and safety, taking into account and weighing up all relevant matters including—
   (a) the likelihood of the hazard or the risk concerned occurring; and
   (b) the degree of harm that might result from the hazard or the risk; and
(c) what the person concerned knows, or ought reasonably to know, about—

(i) the hazard or the risk; and

(ii) ways of eliminating or minimising the risk; and

(d) the availability and suitability of ways to eliminate or minimise the risk; and

(c) adduces evidence that the discriminatory conduct was engaged in for a prohibited reason.

(2) The reason alleged for the discriminatory conduct is presumed to be the dominant reason for that conduct unless the accused proves, on the balance of probabilities, that the reason was not the dominant reason for the conduct.

(3) To avoid doubt, the burden of proof on the accused under subsection (2) is a legal burden of proof.

111 Order for compensation or reinstatement

If a person is convicted or found guilty of an offence against section 104 (Prohibition of discriminatory conduct) or section 107 (Prohibition of requesting, instructing, inducing, encouraging, authorising or assisting discriminatory conduct), the court may (in addition to imposing a penalty) make either or both of the following orders:

(ii) the prospective worker be employed in the position for which he or she had applied or a similar position; or

(3) It is a defence to a proceeding under section 112 in relation to conduct referred to in section 112 (2) (a) or (b) if the defendant proves that—

(a) the conduct was reasonable in the circumstances; and

(b) a substantial reason for the conduct was to comply with the requirements of this Act or a corresponding WHS law.

Note: A reference to an Act includes a reference to statutory instruments made or in force under the Act, including a regulation and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

(4) To avoid doubt, the burden of proof on the defendant under subsections (2) and (3) is a legal burden of proof.

(i) the magistrate’s name; and

(ii) the date and time the magistrate issued the warrant; and

(2) However, the person is not entitled to observe the search if—

Subdivision 9.3.4  Specific powers on entry

172 **Abrogation of privilege against self-incrimination**

(1) A person is not excused from answering a question or providing information or a document under this part on the ground that the answer to the question, or the information or document, may tend to incriminate the person or expose the person to a penalty.

(2) However, any information, document or thing obtained, directly or indirectly, because of the giving of the answer or the production of the document is not admissible in evidence against the person in a civil or criminal proceeding, other than a proceeding for an offence arising out of the false or misleading nature of the answer, information or document.

173 **Warning to be given**

(1) Before requiring a person to answer a question or provide information or a document under this part, an inspector must—

   (a) identify himself or herself to the person as an inspector by producing the inspector’s identity card or in some other way; and

(2) It is not an offence for an individual to refuse to answer a question put by an inspector or provide information or a document to an inspector under this part on the ground that the question, information or document might tend to incriminate him or her, unless he or she was first given the warning in subsection (1) (c).

Examples—par (b)
1 sealing a thing and marking it to show access to it is restricted
2 sealing the entrance to a room where a thing is situated and marking it to show access to it is restricted
(2) If an inspector restricts access to a seized thing, a person must not tamper, or attempt to tamper, with the thing or something restricting access to the thing without an inspector’s approval.

Maximum penalty:

(3) The receipt must describe generally each thing seized and its condition.

(4) This section does not apply to a thing if it is impracticable or would be unreasonable to give the receipt required by this section (given the thing’s nature, condition and value).

(1) A seized thing is forfeited to the Territory if the regulator—

(a) cannot find the person entitled to the thing after making reasonable inquiries; or

   (d) that the person may apply for a stay of the decision if the person applies for a review.

(7) In deciding whether and, if so, what inquiries and efforts are reasonable or whether it would be unreasonable to give notice about a thing, regard must be had to the thing’s nature, condition and value.

(8) Any costs reasonably incurred by the Territory in storing or disposing of a thing forfeited under subsection (1) (c) may be recovered in a court of competent jurisdiction as a debt due to the Territory from that person.

(9) In this section:

   **person entitled** to a thing means the person from whom it was seized unless that person is not entitled to possess it in which case it means the owner of the thing.
180  Return of seized things

(1) If a seized thing has not been forfeited, the person entitled to the thing may apply to the regulator for the return of the thing after the end of 6 months after it was seized.

(2) The regulator must return the thing to the applicant under subsection (1) unless the regulator has reasonable grounds to retain the thing.

(3) If the inspector believes the damage was caused by a latent defect in the thing or circumstances beyond the inspector’s or assistant’s control, the inspector may state it in the notice.

(4) If, for any reason, it is impracticable to comply with subsection (2), the inspector must leave the notice in a conspicuous position and in a reasonably secure way where the damage happened.

(5) This section does not apply to damage the inspector reasonably believes is trivial.

(2) The application must be made in the manner and form required by the regulator.

Note If a form is approved under s 277 for this provision, the form must be used.

(3) For the purposes of this section:

relevant time means—

(a) in the case of a decision to issue an improvement notice—the period specified in the notice for compliance with the notice or 14 days, whichever is the lesser; and

(b) in any other case—14 days.

225 Internal reviewer

(1) The regulator may appoint a person or body to review decisions on applications under this division.

(2) The person who made the decision cannot be an internal reviewer in relation to that decision.

226 Decision of internal reviewer

(1) The internal reviewer must review the reviewable decision and make a decision as soon as is reasonably practicable and within 14 days after the application for internal review is received.

(2) The decision may be—

(a) to confirm or vary the reviewable decision; or

(b) to set aside the reviewable decision and substitute another decision that the internal reviewer considers appropriate.

(3) If the internal reviewer seeks further information from the applicant, the 14-day period ceases to run until the applicant provides the information to the internal reviewer.
(4) The applicant must provide the further information within the time (being not less than 7 days) specified by the internal reviewer in the request for information.

(5) If the applicant does not provide the further information within the required time, the decision is taken to have been confirmed by the internal reviewer at the end of the required time.

(6) If the reviewable decision is not varied or set aside within the 14-day period, the decision is taken to have been confirmed by the internal reviewer.

227 Decision on internal review

As soon as practicable after reviewing the decision, the internal reviewer must give the applicant in writing—

(a) the decision on the internal review; and

(b) the reasons for the decision.

228 Stays of reviewable decisions on internal review

(1) An application for an internal review of a reviewable decision (other than a decision to issue a prohibition notice or a non-disturbance notice) stays the operation of the decision.

(2) If an application is made for an internal review of a decision to issue a prohibition notice or a non-disturbance notice, the reviewer may stay the operation of the decision.

(3) The reviewer may make the decision to stay the operation of a decision on the reviewer’s own initiative or on the application of the applicant for review.

(4) The reviewer must make a decision on an application for a stay within 1 working day after the reviewer receives the application.
(5) If the reviewer has not made a decision to stay a decision within the
time set out in subsection (4), the reviewer is taken to have made a
decision to grant a stay.

(6) A stay of the operation of a decision pending a decision on an internal
review continues until whichever of the following is earlier:

(a) the end of the prescribed period for applying for an external
review of the decision made on the internal review;

(b) an application for external review is made.

**Division 12.3  ** External review

**229 Application for external review**

review*) of—

(a) a reviewable decision made by the regulator; or

(b) a decision made, or taken to have been made, on an internal

(2) The application must be made—

(a) if the decision was to forfeit a thing (including a document)
within 28 days after the day on which the decision first came to
the applicant’s notice; or

(b) in the case of any other decision—within 14 days after the day
on which the decision first came to the applicant’s notice; or

(c) if the regulator is required by the ACAT to give the eligible
person a statement of reasons, within 14 days after the day on
which the statement is provided.

Division 13.1  General matters

Section 230

Prosecutions

(1) Subject to subsection (5), a proceeding for an offence against this Act may be brought by—

(a) the regulator; or

(b) an inspector with the written authorisation of the regulator (either generally or in a particular case).

Note A reference to an Act includes a reference to statutory instruments made or in force under the Act, including a regulation and any law or instrument applied, adopted or incorporated by the Act (see Legislation Act, s 104).

(2) If the regulator believes on reasonable grounds that a person has committed an offence against this Act, the regulator may refer the matter to the DPP.

(3) The regulator must issue, and publish on the regulator’s website, general guidelines in relation to—

(a) the referral of matters to the DPP under this section; and

(b) the acceptance of WHS undertakings under this Act.

(4) A guideline is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

(5) Nothing in this section affects the ability of the DPP to bring a proceeding for an offence against this Act.
231 Procedure if prosecution is not brought

(1) A person (the applicant) may make a written request to the regulator that the regulator refer a matter to the DPP if—

(a) the applicant reasonably considers that the occurrence of an act, matter or thing constitutes a category 1 offence or a category 2 offence; and

(b) no prosecution has been brought in relation to the occurrence of the act, matter or thing after 6 months but not later than 12 months after the occurrence.

(2) Within 3 months after the regulator receives a request the regulator must—

(a) advise the applicant (in writing)—

(i) whether the investigation is complete; and

(ii) if the investigation is complete—

(A) whether the regulator has referred or will be referring the matter to the DPP; or

(B) the reasons why the regulator will not be referring the matter to the DPP; and

(b) advise the person who the applicant believes committed the offence of the application.

(3) If the regulator advises the person that the regulator will not be referring a matter concerning a category 1 or category 2 offence to the DPP, the regulator must—

(a) advise the person that the person may ask the regulator to refer the matter to the DPP for consideration; and

(b) if the person makes a written request to the regulator to do so, refer the matter to the DPP within 1 month of the request.
(4) The DPP must consider the matter and advise (in writing) the regulator as soon as practicable as to whether the DPP considers that a prosecution should be brought.

(5) If the DPP considers that a prosecution should not be brought, the regulator must ensure that written reasons for the decision are given to—

(a) the person who made the request; and
(b) the person who the applicant believes committed the offence.

(6) If the regulator declines to follow the advice of the DPP to bring a proceeding, the regulator must give written reasons for the decision to any person to whom written reasons are given under subsection (5).

(7) In this section a reference to the occurrence of an act, matter or thing includes a reference to a failure in relation to an act, matter or thing.

### 232 Limitation period for prosecutions

(1) A proceeding for an offence against this Act may be brought within the latest of the following periods:

(a) within 2 years after the offence first comes to the notice of the regulator;

(b) within 1 year after a coronial report was made or a coronial inquiry or inquest ended, if it appeared from the report or the proceeding at the inquiry or inquest that an offence had been committed against this Act;

(c) if a WHS undertaking has been given in relation to the offence—within 6 months after—

(i) the WHS undertaking is contravened; or

(ii) it comes to the notice of the regulator that the WHS undertaking has been contravened; or
(iii) the regulator has agreed under section 221 (Withdrawal or variation of WHS undertaking) to the withdrawal of the WHS undertaking.

(2) A proceeding for a category 1 offence may be brought after the end of the applicable limitation period in subsection (1) if fresh evidence relevant to the offence is discovered and the court is satisfied that the evidence could not reasonably have been discovered within the relevant limitation period.

233 Multiple contraventions of health and safety duty provision

(1) Two or more contraventions of a health and safety duty provision by a person that arise out of the same factual circumstances may be charged as a single offence or as separate offences.

(2) However, this section does not authorise contraventions of 2 or more health and safety duty provisions to be charged as a single offence.

(3) A single penalty only may be imposed in relation to 2 or more contraventions of a health and safety duty provision that are charged as a single offence.

(4) In this section:

\textit{health and safety duty provision} means a provision of—

(2) The court may make an adverse publicity order on its own initiative or on the application of the DPP.

(3) If the offender fails to give evidence to the regulator in accordance with subsection (1) (b), the regulator, or a person authorised in writing by the regulator, may take the action or actions specified in the order.

(4) However, if—

(a) the offender gives evidence to the regulator in accordance with subsection (1) (b); and

(b) despite that evidence, the regulator is not satisfied that the offender has taken the action or actions specified in the order in accordance with the order,
