(2) The party must not pay into the ACT election account for the party 1 or more payments from 1 or more related political parties in a financial year that total more than $10 000.
(3) If the party contravenes subsection (2), an amount equal to twice the amount by which the payment or payments exceed $10 000 is payable to the Territory.

(4) However, if the party returns the amount by which the payment or payments exceed $10 000 within 30 days after the amount is received, no amount is payable to the Territory.

(5) This section does not apply to payments made to a party under this Act, or a corresponding Act of the Commonwealth, a State or another Territory.

207 Entitlement to funds

(1) The prescribed amount is payable for each eligible vote cast for a candidate or party in an election.

(2) The prescribed amount is—

   (a) for an election held in the 6-month period beginning on 1 July 2012—200 cents; and
   
   (b) for an election held in a subsequent 6-month period—the prescribed amount for the period worked out under this section.

(3) The commissioner must work out the prescribed amount for the 6-month period beginning on 1 January 2013 and for each subsequent 6-month period.

(4) The prescribed amount must be worked out as follows:

   (a) for a 6-month period beginning on 1 January—

   \[ P \times \frac{INS}{INM} \]
(b) for a 6-month period beginning on 1 July—

\[ P \times \frac{\text{INM}}{\text{INS}} \]

\text{INM} means the index number for the previous March quarter.

\text{INS} means the index number for the previous September quarter.

\( P \) means the prescribed amount for the previous 6-month period.

(5) The prescribed amount, and each number used to work out the prescribed amount, must be worked out—

(a) if the amount or number, if worked out to 4 decimal places, would end with a number greater than 4—to 3 decimal places and increased by 0.001; and

(b) in any other case—to 3 decimal places.

(6) If the Australian statistician publishes an index number for a quarter in substitution for an index number previously published for that quarter, the commissioner must disregard the publication of the later index number for this section.

(7) However, if the Australian statistician changes the reference base for the consumer price index, then, in applying this section after the change, the commissioner must have regard only to index numbers published in terms of the new reference base.

215C Payment to eligible parties for administrative expenditure
(1) This section applies if a party is eligible for payment for administrative expenditure for a quarter.
(2) The commissioner must pay the party the quarterly entitlement of each MLA who was a member of the party in the quarter.
(3) The quarterly entitlement of an MLA who was a member of the party in the quarter is worked out as follows:

\[ A \times \frac{D}{Q} \]
$A$ means—

(a) for a quarter in 2012—$5,000; or

(b) for a quarter in a later year—the quarterly amount for the year declared under section 215F.

$D$ means the number of days in the quarter that the MLA was a member of the party.

$Q$ means the number of days in the quarter.

215D Eligibility of non-party MLAs for payment for administrative expenditure

A non-party MLA is eligible for payment for administrative expenditure for a quarter if the MLA is an MLA for all or part of the quarter.

215E Payment to non-party MLAs for administrative expenditure

(1) This section applies if a non-party MLA is eligible for payment for administrative expenditure for a quarter.

(2) The commissioner must pay the non-party MLA the MLA’s quarterly entitlement worked out as follows:

\[
A \times \frac{D}{Q}
\]

$A$ means—

(a) for a quarter in 2012—$5,000; or

(b) for a quarter in a later year—the quarterly amount for the year declared under section 215F.

$D$ means the number of days in the quarter that the MLA is a non-party MLA.

$Q$ means the number of days in the quarter.
215F Working out indexation for administrative expenditure

(1) The commissioner must declare a quarterly amount for a year for—
   (a) section 215C (3), definition of $A$, paragraph (b); and
   (b) section 215E (2), definition of $A$, paragraph (b).

(2) The quarterly amount is worked out as follows:

$\text{INS1}$ means the index number published for the September quarter in the preceding year.

$\text{INS2}$ means the index number published for the September quarter in the year immediately before the preceding year.

$P$ means—
   (a) for 2013—$5\,000$; and
   (b) for a later year—the amount worked out under this subsection for the preceding year.

(3) However, if for a particular year the amount under subsection (2) is less than $P$, the amount for the year is $P$.

(4) The quarterly amount, and each number used to work out the quarterly amount under subsection (2), must be worked out—
   (a) if the amount or number, if worked out to 3 decimal places, would end with a number greater than 4—to 2 decimal places and increased by 0.01; or
   (b) in any other case—worked out to 2 decimal places.

(5) If the Australian statistician publishes an index number for a quarter in substitution for an index number previously published for that quarter, the commissioner must disregard the publication of the later index number for this section.
(6) However, if the Australian statistician changes the reference base for the consumer price index, then, in applying this section after the change, the commissioner must have regard only to index numbers published in terms of the new reference base.

(7) A declaration is a notifiable instrument.

Note A notifiable instrument must be notified under the Legislation Act.

(a) deposit any part of the amount in an ACT election account; or

(b) use any part of the amount for electoral expenditure in relation to an ACT, federal, state or local election.

(2) If a party or non-party MLA contravenes subsection (1), the party or MLA is liable to pay a penalty to the Territory equal to twice the amount deposited or used.

(3) The commissioner may recover an amount payable under subsection (2) from the party or non-party MLA.
