Casino (Electronic Gaming) Bill 2017

A Bill for

An Act to regulate electronic gaming in the casino, and for other purposes

The Legislative Assembly for the Australian Capital Territory enacts as follows:

1 **Part 1 Preliminary**

2 **1 Name of Act**

3 This Act is the *Casino (Electronic Gaming) Act 2017*.

4 **2 Commencement**

5 (1) This Act (other than schedule 4) commences on a day fixed by the
6 Minister by written notice.

7 *Note 1* The naming and commencement provisions automatically commence on
8 the notification day (see [Legislation Act](#), s 75 (1)).

9 *Note 2* A single day or time may be fixed, or different days or times may be
10 fixed, for the commencement of different provisions (see [Legislation](#)
11 [Act](#), s 77 (1)).

12 *Note 3* If a provision has not commenced within 6 months beginning on the
13 notification day, it automatically commences on the first day after that
14 period (see [Legislation Act](#), s 79).

15 (2) Schedule 4 commences on the commencement of the *Gaming*
16 *Machine (Reform) Amendment Act 2015*, schedule 1.

17 **3 Dictionary**

18 The dictionary at the end of this Act is part of this Act.

19 *Note 1* The dictionary at the end of this Act defines certain terms used in this
20 Act, and includes references (*signpost definitions*) to other terms
21 defined elsewhere.

22 For example, the signpost definition ‘*casino licensee*—see the *Casino*
23 *Control Act 2006*, dictionary.’ means that the term ‘casino licensee’ is
24 defined in that dictionary and the definition applies to this Act.

25 *Note 2* A definition in the dictionary (including a signpost definition) applies to
26 the entire Act unless the definition, or another provision of the Act,
27 provides otherwise or the contrary intention otherwise appears (see
28 [Legislation Act](#), s 155 and s 156 (1)).

1 **4** **Notes**

2 A note included in this Act is explanatory and is not part of this Act.

3 *Note* See the [Legislation Act](#), s 127 (1), (4) and (5) for the legal status of
4 notes.

5 **5** **Offences against Act—application of Criminal Code etc**

6 Other legislation applies in relation to offences against this Act.

7 *Note 1* *Criminal Code*

8 The [Criminal Code](#), ch 2 applies to all offences against this Act (see
9 Code, pt 2.1).

10 The chapter sets out the general principles of criminal responsibility
11 (including burdens of proof and general defences), and defines terms
12 used for offences to which the Code applies (eg *conduct*, *intention*,
13 *recklessness* and *strict liability*).

14 *Note 2* *Penalty units*

15 The [Legislation Act](#), s 133 deals with the meaning of offence penalties
16 that are expressed in penalty units.

1 **Part 2 Important concepts**

2 **6 Casino gaming machine authorisation certificate—**
3 ***maximum possible number of authorisations***

4 The *maximum possible number* of casino gaming machine
5 authorisations allowed under a casino gaming machine authorisation
6 certificate is 200.

7 **7 Casino FATG authorisation certificate—*maximum***
8 ***possible number of authorisations***

9 The *maximum possible number* of casino FATG terminal
10 authorisations allowed under a casino FATG authorisation
11 certificate is 60.

12 **8 Meaning of *social impact assessment***

13 (1) For this Act, a *social impact assessment* for an application for an
14 authorisation certificate is a written assessment of the likely
15 economic and social impact of the operation of casino gaming
16 machines or FATGs under the proposed authorisation certificate.

17 *Note* A social impact assessment is required for—

- 18 (a) an application for a casino gaming machine authorisation
19 certificate (see s 10); and
20 (b) an application for a casino FATG authorisation certificate (see
21 s 13).

22 (2) A regulation may make provision in relation to social impact
23 assessments, including the following:

- 24 (a) the requirements that must be satisfied by a social impact
25 assessment;
26 (b) the matters to be addressed by a social impact assessment;
27 (c) the information to be given in a social impact assessment.

- 1 **9 Social impact assessment—publication**
- 2 (1) This section applies if the casino licensee applies for either of the
- 3 following and is required to provide a social impact assessment with
- 4 the application:
- 5 (a) a casino gaming machine authorisation certificate;
- 6 (b) a casino FATG authorisation certificate.
- 7 (2) The casino licensee must give public notice of the application,
- 8 stating that—
- 9 (a) the social impact assessment for the application will be
- 10 available for inspection by members of the public for 8 weeks
- 11 after a day stated in the public notice (the *comment period*)—
- 12 (i) at a place in the ACT named on the commission’s website
- 13 during ordinary business hours; and
- 14 (ii) on the commission’s website; and

- 17 *Note 1* **Public notice** means notice on an ACT government website or in a daily
- 18 newspaper circulating in the ACT (see [Legislation Act](#), dict, pt 1).
- 19 *Note 2* If a form is approved under the [Control Act](#), s 53D for a public notice,
- 20 the form must be used.
- 21 (3) Before the comment period begins, the casino licensee must give the
- 22 commission—
- 23 (a) the social impact assessment for the application; and
- 24 (b) a copy of the public notice.

- 1 (4) The casino licensee must—
- 2 (a) on or before the day the public notice is given, place a sign (the
- 3 *information sign*) containing information about the application
- 4 in a prominent position outside each public entrance to the
- 5 premises to which the application relates; and
- 6 (b) ensure that the sign stays there for the comment period.
- 7 (5) However, the casino licensee need not comply with subsection (4) if
- 8 it would be impractical to do so.
- 9 **Examples—impractical to place sign at address**
- 10 1 there is no road access to the address
- 11 2 building work is being carried out at the address
- 12 *Note* An example is part of the Act, is not exhaustive and may extend, but
- 13 does not limit, the meaning of the provision in which it appears (see
- 14 [Legislation Act](#), s 126 and s 132).
- 15 (6) The information sign must include the following:
- 16 (a) a description of the application;
- 17 (b) a statement of when and where the social impact assessment
- 18 for the application will be available;
- 19 (c) an invitation to make written submissions to the commission
- 20 about the social impact assessment within the comment period;
- 21 (d) when the comment period ends;
- 22 (e) details of where to get more information about the application.

- 1 (7) The commission must make the social impact assessment available
2 for inspection by members of the public during the comment

5 during ordinary business hours; and

24 the application and any submission made on the assessment
25 within the comment period under section 9 (Social impact
26 assessment—publication); and

1 (b) is satisfied the issue of the authorisation certificate is
2 appropriate.

3 *Note* An authorisation acquired by the casino licensee under s 16 is a

Part 4 Acquiring authorisations

16 Acquiring authorisations for casino gaming machines and casino FATG terminals

- (1) This section applies if the casino licensee—
- (a) is issued a casino gaming machine authorisation certificate or a casino FATG authorisation certificate; and
 - (b) has less than the maximum number of authorisations allowed under the authorisation certificate.

- (2) If the casino licensee intends to acquire a gaming machine authorisation for conversion to a casino gaming machine authorisation or a casino FATG terminal authorisation, the casino licensee must notify the commission about the proposed acquisition.

Note 1 The acquisition of an authorisation is a notifiable action (see pt 10 and sch 2).

Note 2 A notifiable action takes effect—

- (a) the prescribed number of days after the day the commission receives the notification (see s 50 (a)); or
- (b) if the commission allows the notifiable action to take effect on an earlier day—that day (see s 50 (b)); or
- (c) if the commission asks for additional information under s 49 (3)—when the commission has notified the licensee that it is satisfied in relation to the additional information (see s 50 (c)).

- (3) The casino licensee—
- (a) may acquire authorisations from 1 or more class B or class C licensees (a *disposing licensee*); and
 - (b) must acquire at least 50% of the maximum number of authorisations allowed under the authorisation certificate from the following:
 - (i) 1 or more small or medium clubs;

- 1 (ii) 1 or more small or medium club groups;
- 2 (iii) 1 or more class B licensees.
- 3 (4) However, an authorisation acquired under subsection (3) must be
4 acquired without the gaming machine operated under the
5 authorisation.
- 6 (5) The disposing licensee may dispose of 1 or more authorisations to
7 the casino licensee.
- 8 *Note* The disposing licensee must apply to the commission for a storage
9 permit for an interim purpose for each related gaming machine of an
10 authorisation disposed of under this section (see s 19).

11 **17 Acquiring authorisations—forfeiture requirement**

- 12 (1) If the casino licensee acquires an authorisation from a class B or
13 class C licensee (the *disposing licensee*) under section 16, the casino
14 licensee—
- 15 (a) must acquire the authorisations in groups of 3; and
- 16 (b) may acquire the 3 authorisations from more than 1 class B or
17 class C licensee.
- 18 (2) However, the casino licensee may acquire less than 3 authorisations
19 if the casino licensee acquires the authorisations from a disposing
20 licensee who—
- 21 (a) intends to surrender an authorisation certificate under the
22 *Gaming Machine Act 2004*, section 37F (Surrender of licences,
23 authorisation certificates and authorisations); and

- 5 (1) The casino licensee commits an offence if—
6 (a) the casino licensee acquires an authorisation; and
7 (b) the acquisition is not in accordance with this Act.

8 Maximum penalty: 100 penalty units.

9 *Note* A reference to an Act includes a reference to the statutory instruments
10 made or in force under the Act, including any regulation (see
11 [Legislation Act](#), s 104).

- 12 (2) An offence against this section is a strict liability offence.

13 **19 Disposal of gaming machines—application for storage
14 permit**

15 If a class B or class C licensee (the *disposing licensee*) disposes of
16 an authorisation under section 16, the disposing licensee must—

- 17 (a) apply for a storage permit for an interim purpose under the
18 [Gaming Machine Act 2004](#), section 127O (Storage permit—
19 application) for the related gaming machine (if any); and
20 (b) dispose of the gaming machine in accordance with that Act,
21 section 113A (Disposal of gaming machines—notifiable
22 action).

1 **20 Restricted status of acquired authorisations**

2 An authorisation acquired by the casino licensee from a class B or
3 class C licensee becomes a *restricted authorisation* when it is
4 acquired.

5 *Note 1* The casino licensee must not operate a casino gaming machine or casino
6 FATG terminal under a restricted authorisation. The casino licensee
7 may only operate a casino gaming machine under a casino gaming
8 machine authorisation and a casino FATG terminal under a casino
9 FATG terminal authorisation (see s 25).

10 *Note 2* The casino licensee may apply to the commission under s 21 to have a
11 restricted authorisation converted to a casino gaming machine
12 authorisation or casino FATG terminal authorisation.

1 **Part 5** **Conversion of restricted**
2 **authorisations**

3 **21 Conversion of restricted authorisations—application**

4 (1) The casino licensee may apply to the commission to have a
5 restricted authorisation converted to an authorisation to operate a
6 casino gaming machine (a *casino gaming machine authorisation*)
7 or a casino FATG terminal (a *casino FATG terminal*
8 *authorisation*).

9 (2) The application must—

10 (a) be in writing signed by the casino licensee; and

11 (b) state the number of restricted authorisations to be converted
12 and the kind of authorisation to which the restricted
13 authorisations are to be converted; and

14 (c) be accompanied by the required documents for the application.

15 *Note 1* If a form is approved under the [Control Act](#), s 53D for an application,
16 the form must be used.

17 *Note 2* A fee may be determined under s 53 for this provision.

18 (3) For subsection (2) (c), the *required documents* are the following:

19 (a) written evidence that the planning and land authority has—

20 (i) approved a development proposal by the casino licensee
21 in relation to the redevelopment of the casino and the

2 of development prescribed by regulation for the
3 maximum number of restricted authorisations to be
4 converted;

5 **Examples—written evidence**

- 6 1 a certificate of conformance
7 2 a developer deed

8 *Note* An example is part of the Act, is not exhaustive and may extend,
9 but does not limit, the meaning of the provision in which it
10 appears (see [Legislation Act](#), s 126 and s 132).

- 11 (b) a plan of the development where casino gaming machines or
12 casino FATG terminals are to be installed (the *proposed*

15 (ii) clearly shows the location, boundaries and dimensions of
16 the proposed gaming area;

- 17 (c) a copy of the current rules for gaming (the *gaming rules*) the
18 casino licensee has adopted in relation to operation of casino
19 gaming machines or casino FATG terminals;

20 **Examples—what gaming rules may cover**

27 adopted to control the operation of casino gaming machines or
28 casino FATGs at the casino (the *control procedures*);

- 29 (e) any other documents required by regulation.

- 1 (4) The commission may, in writing, require the casino licensee to give
2 the commission additional information, within the time stated by the
3 commission, that the commission reasonably needs to decide the
4 application.
- 5 (5) If the casino licensee does not comply with a requirement under
6 subsection (4) within the time stated by the commission—
- 7 (a) the commission may refuse to consider the application; and
- 8 (b) if the commission refuses to consider the application—the

21 commission may refuse to consider the application. If the commission
22 refuses to consider the application, it lapses (see s 21 (5) (b)).
- 23 (2) The commission must convert the number of restricted
24 authorisations stated in the application to casino gaming machine
25 authorisations or casino FATG terminal authorisations in
26 accordance with the application if satisfied—
- 27 (a) that the planning and land authority has—
- 28 (i) approved a development proposal by the casino licensee
29 in relation to redevelopment of the casino and the casino
30 precinct; and

- 1 (ii) certified in writing that the casino licensee has completed
2 the stage of development prescribed by regulation for the
3 maximum number of restricted authorisations sought to
4 be converted; and

6 *voluntary maximum period*);
- 7 (f) the PCS prevents a player from continuing to play casino
8 gaming machines after whichever of the following happens
9 first:
