Magistrates Court (Environment Protection Infringement Notices) Regulation 2005

SL2005-37

made under the

Magistrates Court Act 1930

Republication No 7

Effective: 31 August 2017

Republication date: 31 August 2017

Last amendment made by [A2017-17](#)

About this republication

The republished law

This is a republication of the *Magistrates Court (Environment Protection Infringement Notices) Regulation 2005*, made under the *Magistrates Court Act 1930* (including any amendment made under the *Legislation Act 2001*, part 11.3 (Editorial changes)) as in force on 31 August 2017. It also includes any commencement, amendment, repeal or expiry affecting this republished law to 31 August 2017.

The legislation history and amendment history of the republished law are set out in endnotes 3 and 4.

Kinds of republications

The Parliamentary Counsel's Office prepares 2 kinds of republications of ACT laws (see the ACT legislation register at www.legislation.act.gov.au):

- authorised republications to which the *Legislation Act 2001* applies
- unauthorised republications.

The status of this republication appears on the bottom of each page.

Editorial changes

The *Legislation Act 2001*, part 11.3 authorises the Parliamentary Counsel to make editorial amendments and other changes of a formal nature when preparing a law for republication. Editorial changes do not change the effect of the law, but have effect as if they had been made by an Act commencing on the republication date (see *Legislation Act 2001*, s 115 and s 117). The changes are made if the Parliamentary Counsel considers they are desirable to bring the law into line, or more closely into line, with current legislative drafting practice.

This republication includes amendments made under part 11.3 (see endnote 1).

Uncommenced provisions and amendments

If a provision of the republished law has not commenced, the symbol **U** appears immediately before the provision heading. Any uncommenced amendments that affect this republished law are accessible on the ACT legislation register (www.legislation.act.gov.au). For more information, see the home page for this law on the register.

Modifications

If a provision of the republished law is affected by a current modification, the symbol **M** appears immediately before the provision heading. The text of the modifying provision appears in the endnotes. For the legal status of modifications, see the *Legislation Act 2001*, section 95.

Penalties

At the republication date, the value of a penalty unit for an offence against this law is \$150 for an individual and \$750 for a corporation (see *Legislation Act 2001*, s 133).

Magistrates Court (Environment Protection Infringement Notices) Regulation 2005

made under the

Magistrates Court Act 1930

1 Name of regulation

This regulation is the *Magistrates Court (Environment Protection Infringement Notices) Regulation 2005*.

3 Purpose of regulation

The purpose of this regulation is to provide for infringement notices under the *Magistrates Court Act 1930*, part 3.8 for certain offences against the environment protection legislation.

Note The *Magistrates Court Act 1930*, pt 3.8 provides a system of infringement notices for offences against various Acts. The infringement notice system is intended to provide an alternative to prosecution.

4 Dictionary

The dictionary at the end of this regulation is part of this regulation.

Note 1 The dictionary at the end of this regulation defines certain terms used in this regulation, and includes references (*signpost definitions*) to other terms defined elsewhere.

For example, the signpost definition ‘*authorised officer*—see the *Environment Protection Act 1997*, dictionary.’ means that the term ‘authorised officer’ is defined in that dictionary and the definition applies to this regulation.

Note 2 A definition in the dictionary (including a signpost definition) applies to the entire regulation unless the definition, or another provision of the regulation, provides otherwise or the contrary intention otherwise appears (see *Legislation Act*, s 155 and s 156 (1)).

5 Notes

A note included in this regulation is explanatory and is not part of this regulation.

Note See the *Legislation Act*, s 127 (1), (4) and (5) for the legal status of notes.

6 Administering authority

The administering authority for an infringement notice offence against the environment protection legislation is the environment protection authority.

7 Infringement notice offences

The *Magistrates Court Act 1930*, part 3.8 applies to an offence against a provision of the environment protection legislation mentioned in schedule 1, column 2.

8 Infringement notice penalties

- (1) The penalty payable by an individual for an offence against the environment protection legislation, under an infringement notice for the offence, is the amount mentioned in schedule 1, column 4 of the item applying to the offence or, if there is more than 1 amount mentioned in the column, the amount applying to the individual.
- (2) The penalty payable by a corporation for an offence against the environment protection legislation, under an infringement notice for the offence, is 5 times the amount mentioned in schedule 1, column 4 of the item applying to the offence or, if there is more than 1 amount mentioned in the column, the amount applying to the corporation.
- (3) The cost of serving a reminder notice for an infringement notice offence against the environment protection legislation is \$34.

9 Contents of infringement notices—other information

- (1) An infringement notice served on a company by an authorised person for an infringement notice offence against the environment protection legislation must include the company's ACN.

Note The requirement under this section is additional to the requirement under the *Magistrates Court Act 1930*, s 121 (1) (c).

- (2) In this section:

company means a company registered under the [Corporations Act](#).

10 Contents of infringement notices—identifying authorised person

An infringement notice served on a person by an authorised person for an infringement notice offence against the environment protection legislation must identify the authorised person by—

- (a) the authorised person's full name, or surname and initials; or
(b) any unique number given, for this regulation, to the authorised person by the administering authority.

11 Contents of reminder notices—identifying authorised person

A reminder notice served on a person by an authorised person for an infringement notice offence against the environment protection legislation must identify the authorised person by—

- (a) the authorised person's full name, or surname and initials; or
(b) any unique number given, for this regulation, to the authorised person by the administering authority.

12 Authorised people for infringement notice offences

An authorised officer may serve the following:

- (a) an infringement notice for an infringement notice offence against the environment protection legislation;
- (b) a reminder notice for an infringement notice offence against the environment protection legislation.

Note For how documents may be served, see the [Legislation Act](#), pt 19.5.

Endnotes

1 About the endnotes

Amending and modifying laws are annotated in the legislation history and the amendment history. Current modifications are not included in the republished law but are set out in the endnotes.

Not all editorial amendments made under the *Legislation Act 2001*, part 11.3 are annotated in the amendment history. Full details of any amendments can be obtained from the Parliamentary Counsel's Office.

Uncommenced amending laws are not included in the republished law. The details of these laws are underlined in the legislation history. Uncommenced expiries are underlined in the legislation history and amendment history.

If all the provisions of the law have been renumbered, a table of renumbered provisions gives details of previous and current numbering.

The endnotes also include a table of earlier republications.
